her arrival in Utah when she subsequently deposited a copy of it with President Brigham Young. Lucy Smith died near Nauvoo May 5 1855 but years prior to this date some of her effects were left in the hands of her son William Smith among them being the manuscript copy of this history. From William who was the last surviving brother of the Prophet and whose death occurred at Osterdock Clayton county Iowa November 13 1893 the document fell surreptitiously it is declared by George A Smith into the hands of Isaac Sheen who was at one time a member of the Church in Michigan. When in September 1852 Apostle Orson Pratt went on a mission to England he called on Mr Sheen on his way East and being shown the manuscript copy he purchased it for a certain sum of money took it to Liverpool with him where without revision and without the consent or knowledge of President Young or any of the Twelve it was published under his direction in 1853. It was afterwards discovered that the book contained errors occasioned by its not being carefully compared with historical data. Some of the statements in the preface written by Elder Pratt were also in error one especially that the book was mostly written in the lifetime of the Prophet and that he had read it with approval was incorrect since it was written in 1845 the year following his martyrdom. For these reasons and others mostly of a financial character it was disapproved by President Young on August 23 1865 and the edition was suppressed or destroyed. While some statements contained in the work were considered somewhat overdrawn a circumstance easily accounted for when we remember the age of Mother Smith the losses she had sustained in the death of a husband and four sons and the consequent lapses of her memory its many merits were fully recognized by the authorities many of whom were greatly disappointed at the necessity of issuing the order to temporarily suppress its further circulation. Subsequently a committee of revision was appointed by President Young consisting of President George A Smith and Judge Elias Smith cousins of the Prophet men personally familiar with the family and thoroughly conversant with Church history. They were instructed carefully to revise and correct the original work throughout which they did reporting their labors to President Young to his entire satisfaction. The revised and only authentic copy thus prepared and reported upon was retained by President George A Smith and shortly after his death September 1 1875 it was committed into my keeping where it has remained until now.

History of Joseph Smith by His Mother Lucy Mack Smith ,2005-05-01 Lucy Mack Smith's biography of her son Joseph Smith the prophet is one of the classics of Latter day Saint literature. Alongside Joseph's own history that he wrote it is a second witness of the coming forth of the Book of Mormon and of Joseph's prophetic calling. Written in the months immediately following his martyrdom it is in effect the last testament of the only person still living who could relate the particulars of the early years of the Restoration.

History of the Prophet Joseph, by His Mother Lucy Smith, George Albert Smith, Elias Smith. 2020-12-30 History of Joseph Smith by His Mother is a biography of Joseph Smith founder of the Latter Day Saint movement according to his mother Lucy Mack Smith. Shortly following the death of Joseph Smith in 1844 and into 1845 Lucy Mack Smith dictated her recollections and family story to Nauvoo schoolteacher Martha Jane Coray who compiled these books of notes and other sources into a manuscript. Publication of the book came with the

great controversy After its publication Brigham Young declared the book to be a tissue of lies and wanted corrections made Young possibly opposed the book because of his own conflicts with its publisher Orson Pratt Lucy Smith portrayed the Smith family as the legitimate leaders of the church which Young may also have seen as a challenge to his leadership The History of Joseph Smith Lucy Smith, George Albert Smith, Elias Smith, 2000 non fiction historical *History of Joseph Smith* Lucy Smith, 1958 *Lucy's Book* Lucy Mack Smith, 2003-01-01 BEST BOOK AWARD JOHN WHITMER HISTORICAL ASSOCIATION BEST DOCUMENTARY BOOK AWARD MORMON HISTORY ASSOCIATION Mormonism begins with Lucy Mack mother of the prophet Joseph Smith In her dictated memoir readers will detect the same seeds of religious fervor and frontier idiom that characterized her son's writings and sermons Although much of her original voice was lost through editing in the more formal first published edition of her memoir 14 percent of the overall content having been discarded Lucy's original manuscript survives and is presented here for the first time in its entirety For comparison's sake it is arranged in parallel columns with the first 1853 edition Significant variants from later printings are indicated in the editor's footnotes with prefatory chapters that provide historical background and textual genealogy Lucy's story is gripping and occasionally heart breaking As Irene Bates notes in the foreword the memoir is given to a new generation of Lucy's spiritual grandchildren as both history and as inspiration By restoring passages that relate Mother Smith's own personal understanding of important events her reactions to them and her portrayal of Mormon women as competent and strong a theme that was removed from later editions editor Lavina Fielding Anderson has allowed Lucy to say what she originally intended **The Joseph Sr. and Lucy Mack Smith Family** Kyle R.
