Ludwig II Mad King Of Bavaria By Huston Chapman Desmond:

Ludwig II Desmond Chapman-Huston,1990 For this balanced and sympathetic biography the author was given the complete freedom of the secret Archives of the Royal House of Wittelsbach *My Letters from Ludwig* C. Robert Holloway,2004-09-27 While apprenticing backstage at Richard Wagners legendary Festival Theatre in Bayreuth Germany C R Holloway happens onto a handwritten note purporting to be from King Ludwig II If real its allegations are so slanderous they would further stain Wagners and Ludwigs already sullied reputations and outrage their descendents and admirers Reluctant to inform anyone of his discovery Holloway hides the note inside the lining of his luggage and on returning home to Honolulu stows it in a safety deposit box hoping eventually to find time to verify its genesis and authenticity Shortly his Waikiki postman delivers a letter in which its writer demands the found note be destroyed immediately Written in a hand identical to the original it is signed by someone claiming to be Ludwig himself Soon a series of revealing letters arrive from Ludwig in which he becomes increasingly more hostile toward Holloway and proportionately less self recriminatory Concurrent with the arrival of these letters Holloways life takes a bizarre and disquieting turn that includes his phone being tapped frequent nightmares and surprise visitors from Germany All of which energizes his determination to return to Bavaria surreptitiously investigate Ludwigs world and prowl his castles in search of the truth about the tortured life and mysterious death of The Mad King While a paying guest of the Hohenlohes a wealthy family of nobility in Munich Holloway becomes involved with their nineteen year old son Reiger a strikingly handsome moody first year medical student Their edgy relationship nearly gets the two of them killed In the end Holloways findings are sure to anger Wagnerian purists infuriate Bavarian bureaucrats startle keepers of Ludwigs flame and give tourists a new perspective while tramping through the Mad Kings Dream Castles

A Queer History of the Ballet Peter Stoneley,2006-10-19 This is the first book length study to trace the historical connections between ballet and homosexuality **Richard Wagner** , *The Rebel Empresses* Nancy Goldstone,2025-02-25 From the acclaimed author of *In the Shadow of the Empress* comes the thrilling richly detailed entertaining chronicle of two of the most influential and glamorous women in nineteenth century Europe Elisabeth empress of Austria and Eugenie empress of France and their efforts to rule amid the scandal intrigue tragedy and violence of their era Kirkus Reviews starred review When they married Emperors Franz Joseph and Napoleon III respectively Elisabeth of Austria and Eugenie of France became two of the most famous women on the planet Young and beautiful becoming cultural and fashion icons of their time they also played a pivotal role in ruling their realms during a tempestuous era characterized by unprecedented political and technological change Fearless adventurous and independent Elisabeth and Eugenie represented a new kind of empress one who rebelled against tradition and anticipated and embraced modern values Yet both women endured hardship in their private and public lives Elisabeth was plagued by a mother in law who snatched her infant children away and undermined her authority at court Eugenie s husband was an infamous philanderer who could not match the military prowess of his

namesake Between them Elisabeth and Eug nie were personally involved in every major international confrontation in their turbulent century which witnessed thrilling technological advances as well as revolutions assassinations and wars With her characteristic jump off the page writing and in depth research Nancy Goldstone brings to life these two remarkable women as Europe goes through the convulsions that led up to the international landscape we recognize today **The Madness of Kings** Vivian Green,2016-10-21 From Caligula to Stalin and beyond this book offers a unique and pioneering look at the recurring phenomenon of the mad king from the early centuries of the Christian era to modern times *The Disney Middle Ages* T. Pugh,S. Aronstein,2012-12-10 For many the middle ages depicted in Walt Disney movies have come to figure as the middle ages forming the earliest visions of the medieval past for much of the contemporary Western and increasingly Eastern imagination The essayists of *The Disney Middle Ages* explore Disney s mediation and re creation of a fairy tale and fantasy past not to lament its exploitation of the middle ages for corporate ends but to examine how and why these medieval visions prove so readily adaptable to themed entertainments many centuries after their creation What results is a scrupulous and comprehensive examination of the intersection between the products of the Disney Corporation and popular culture s fascination with the middle ages *Richard Wagner* John Louis DiGaetani,2014-01-02 This is a new biography of the German composer Richard Wagner 200 years after his birth re examining his life in light of new documents and new sensibilities Since World War II Wagner has often been wrongly associated with Adolf Hitler because Hitler liked Wagner s music and used it in Nazi propaganda But Wagner died in 1883 fifty years before Hitler s regime It is time to have a fresh look at Wagner s life without the Nazi associations His life was a series of abandonments and traumas for the self destructive but creative genius as he tried to survive as a freelance composer in the hostile environments of 19th century Germany

Franz Joseph and Elisabeth Karen Owens,2013-11-20 In 1848 an 18 year old boy assumed the throne of Austria one of the most powerful countries in Europe He would be its last significant emperor the only monarch to serve two countries and the last cogent head of the prestigious Habsburg dynasty Emperor Franz Joseph s reign was marked by revolutions often fueled by rising liberalism and nationalism and wars orchestrated by conquering architects such as Napoleon Metternich and Bismarck This book gives attention to these political and cultural events but it is moreover a biography of Emperor Franz Joseph and his enigmatic wife Empress Elisabeth Wagner and Suicide John Louis DiGaetani,2010-06-25 Composer Richard Wagner 1813 1883 likely suffered from a manic depressive disorder but in his time very little was known about mental illness and suicide was not a topic for general discussion Wagner was often plagued by extreme mood swings he used his operas especially the librettos to express himself and his personal difficulties This investigation of the suicidal themes in Wagner s life and operas *Die Fliegender Hollander Tannhauser Lohengrin Tristan und Isolde Die Meistersinger the Ring cycle and Parsifal* shows how manic depressive illness particularly the depressive part of it affected Wagner s life and art It also analyzes the influence of Giambattista Vico s theories of cycles and how these theories appeared in Wagner s work

suicide as a theatrical and operatic phenomenon and the way in which the theme of suicide has appeared in other works of the literary and performing arts *Matthew Bourne and His Adventures in Dance* Alastair Macaulay, Matthew Bourne, 2011-11-15 Matthew Bourne and His Adventures in Dance is an intimate and in depth conversation between the prize winning pioneer of ballet and contemporary dance Matthew Bourne and the New York Times dance critic Alastair Macaulay In 1987 a small aspirant dance group with a striking name made its debut on the London fringe In 1996 Adventures in Motion Pictures made history as the first modern dance company to open a production in London s West End From this achievement AMP sailed triumphantly to Broadway winning three Tony Awards guided by Artistic Director Matthew Bourne Even before the inception of AMP Bourne was fascinated by theatre by characterization and by the history of dance In his early works Spitfire Town Country and Deadly Serious Bourne brought a novel approach to dance And in his reworkings of the classics of the ballet canon Nutcracker Swan Lake Cinderella Bourne created witty vivid poignant productions that received great acclaim In the first decade of the new millennium the company name was changed to New Adventures and Bourne s classics as well as Bourne s new works The Car Man Play Without Words Edward Scissorhands and Dorian Gray achieved levels of box office popularity that have seldom if ever been matched in dance In addition his choreography for various musicals My Fair Lady Mary Poppins and Oliver have run for years in the West End and on Broadway The detail in which Bourne discusses his work with Alastair Macaulay is unprecedented The two explore Bourne s upbringing his training and influences and his distinctive creative methods Bourne s notebooks his sources and his collaboration with dancers all form part of the discussion in this book **Forge of Empires** Michael Knox Beran, 2007-10-16 In the space of a single decade three leaders liberated tens of millions of souls remade their own vast countries and altered forever the forms of national power Abraham Lincoln freed a subjugated race and transformed the American Republic Tsar Alexander II broke the chains of the serfs and brought the rule of law to Russia Otto von Bismarck threw over the petty Teutonic princes defeated the House of Austria and the last of the imperial Napoleons and united the German nation The three statesmen forged the empires that would dominate the twentieth century through two world wars the Cold War and beyond Each of the three was a revolutionary yet each consolidated a nation that differed profoundly from the others in its conceptions of liberty power and human destiny Michael Knox Beran s Forge of Empires brilliantly entwines the stories of the three epochal transformations and their fateful legacies Telling the stories from the point of view of those who participated in the momentous events among them Walt Whitman and Friedrich Nietzsche Mary Chesnut and Leo Tolstoy Napoleon III and the Empress Eugenie Beran weaves a rich tapestry of high drama and human pathos Great events often turned on the decisions of a few lone souls and each of the three statesmen faced moments of painful doubt or denial as well as significant decisions that would redefine their nations With its vivid narrative and memorable portraiture Forge of Empires sheds new light on a question of perennial importance How are free states made and how are they unmade In the same decade that saw freedom s victories one of the

trinity of liberators revealed himself as an enemy to the free state and another lost heart What Lincoln called the germ of freedom which was to grow and expand into the universal liberty of mankind came close to being annihilated in a world crisis that pitted the free state against new philosophies of terror and coercion Forge of Empires is a masterly story of one of history's most significant decades

Empty Theatre: A Novel Jac Jemc, 2023-02-21 A wildly over the top social satire reimagining the mad misadventures of the iconic royal cousins King Ludwig and Empress Sisi from the incomparable Jac Jemc History knows them as King Ludwig II of Bavaria and Empress Elizabeth of Austria icons of the late nineteenth century who died young and left behind magnificent portraits and palaces But to each other they were Ludwig and Sisi cousins who shared a passion for beauty and a stubborn refusal to submit to the roles imposed upon them Ludwig simultaneously spoiled and punished for his softness and unmanly interests falls hard for the operas of Richard Wagner and neglects his state duties in the pursuit of art Sisi married at the age of sixteen to her beloved Franzl bristles at the restrictions of her elevated position the value placed on her beauty and the simultaneous expectation that she ravage her body again and again in childbirth Both absurdly vain both traumatized by the demands of their roles Sisi and Ludwig struggle against the ideals they are expected to embody and resist through extravagance petulance performance and frivolity A tragicomic tour de force Empty Theatre immerses readers in Ludwig and Sisi's rarefied ridiculous restrictive world where the aesthetics of excess belie the isolation of its inhabitants With wit pathos and imagination Jac Jemc takes us on an unforgettable journey through two extraordinary parallel lives and the complex tenuous friendship that links them

An Introduction to Richard Wagner's Der Ring Des Nibelungen William O. Cord, 1995 Today more than a century after its first performance Richard Wagner's The Ring of Nibelung endures as one of the most significant artistic creations in the history of opera This monumental work not only altered previously accepted concepts of music and drama but also inspired creative and intellectual efforts far beyond the field of opera Previous studies of the Ring have appealed only to those already acquainted in some way with the Wagnerian art For the uninitiated Wagner and his landmark creation have seemed forbidding and those eager to learn about the masterpiece have faced a vast and frequently esoteric body of commentary Professor Cord addresses

the interests of the non specialist by taking the reader first into Wagner s unique intent and then through the complete history of the Ring Cord who has attended forty performances of the Ring considers the conception of the poem its development into a music drama exemplifying Wagnerian thought its introduction to the world and the reactions and interpretation it elicits Academic American Encyclopedia: K-L. v.13 M ,1995 A twenty one volume encyclopedia with 32 000 entries and more than 16 000 illustrations *Madness in Power* François Ribadeau Dumas,1969 Academic American Encyclopedia ,1980
