

The Lure

*The long road lures across the hill,
Divides the brown fields and the green,
And curves, and dips, and climbing still
Gleams over into lands unseen.*

*I think what valleys far more fair
Than ours, the road runs on to meet.
The light falls wild and happy there.
What shadowy doubt delays my feet?*

*Oh, one day, one day, I shall go
Whither the road runs out of sight,
And find, whatever winds may blow,
An inn at falling of the night.*

voiceless mystery Hot sphinx of nature cactus crowned what hast thou done Unclothed and mute as when the groans of chaos turned Thy naked burning bosom to the sun The mountain silences have speech the rivers sing Thou answerest never unto anything Pink throated lizards pant in thy slim shade The horned toad runs rustling in the heat The shadowy gray coyote born afraid Steals to some brackish spring and laps and prowls Away and howls and howls and howls and howls Until the solitude is shaken with an added loneliness Thy sharp mescal shoots up a giant stalk Its century of yearning to the sunburnt skies And drips rare honey from the lips Of yellow waxen flowers and dies Some lengthwise sun dried shapes with feet and hands And thirsty mouths pressed on the sweltering sands Mark here and there a gruesome graveless spot Where some one drank thy scorching hotness and is not God must have made thee in his anger and forgot Not since I can remember have I heard a voice so true as this It is like the sublime and solemn bass of St John It is even John the Baptist crying in the wilderness Indeed I doubt if you will find anything more terribly truthful and fearfully sublime this side of Job than this one lone lorn cry from the desert About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
