**Long Live the King** Kathryn Warner,2017-06-07 Edward II s murder at Berkeley Castle in 1327 is one of the most famous and lurid tales in all of English history But is it true For over five centuries few people questioned it but with the discovery in a Montpellier archive of a remarkable document an alternative narrative has presented itself that Edward escaped from Berkeley Castle and made his way to an Italian hermitage In Long Live the King medieval historian Kathryn Warner explores in detail Edward s downfall and forced abdication in 1326 27 the role possibly played by his wife Isabella of France the wide variation in chronicle accounts of his murder at Berkeley Castle and the fascinating possibility that Edward lived on in Italy for many

**State Surveillance, Political Policing and Counter-terrorism in Britain 1880-1914** Vlad Solomon, 2021 Examines the formation of state surveillance and the emergence of institutionalized political policing in late Victorian and Edwardian Britain This book deals with the formation of state surveillance and the emergence of institutionalized political policing in late Victorian and Edwardian Britain Little has been written on this early formative period for the British security state which began in earnest as a response to the Fenian dynamite campaign of the 1880s Based on newly declassified documents Solomon weaves together separate narrative threads which converge to paint a complex picture of the institutional innovations and personal rivalries that produced Britain's first national political police The interactions between high ranking bureaucrats policemen and politicians reveal how often conflicting ideas on controlling organized radicalism coalesced into a unified counter subversive strategy Stressing the distinctness of the early British model of political policing the narrative goes past the confines of a scholarly account by using source material to flesh out multidimensional characters ranging from choleric Home Secretaries to remorseful anarchist double agents embroiled in a high stakes and often unscrupulous combination of espionage collusion and betrayal

**The Queen of Spades and Other Stories** Alexander Pushkin, 2009-01-29 The Queen of Spades has long been acknowledged as one of the world's greatest short stories In this classic literary representation of gambling Alexander Pushkin explores the nature of obsession Hints of the occult and gothic alternate with scenes of St Petersburg high society in the story of the passionate Hermann's quest to master chance and make his fortune at the card table Underlying the taut plot is an ironical treatment of the romantic dreamer and social outcast This volume contains three other major works of Pushkin's fiction moving from the witty parodies of sentimentalism and high melodrama in The Tales of Belkin to an early experiment with recreating the past in Peter the Great's Blackamoor It concludes with the novel length masterpiece The Captain's Daughter which combines historical fiction in the manner of Sir Walter Scott with the colour and devices of the Russian fairy tale in a narrative of rebellion and romance These new translations as well as being meticulously faithful to the original do full justice to the elegance and fluency of Pushkin's prose The Introduction provides insightful readings of the stories and places them in their European literary context A chronology of the Pugachov Uprising illuminates the events in The Captain's Daughter ABOUT

Queenan Country Joe Queenan, 2007-04-01 In this hilarious romp through England one of America's preeminent humorists seeks the answer to an eternal question What makes the Brits tick One semitropical Fourth of July Joe Queenan's English wife suggested that the family might like a chicken vindaloo in lieu of the customary barbecue It was this pitiless act of gastronomic cultural oppression coupled with dread of the fearsome Christmas pudding that awaited him for dessert that inspired the author to make a solitary pilgrimage to Great Britain Freed from the obligation to visit an unending procession of Aunt Margaret and Cousin Robins as he had done for the first twenty six years of their marriage Queenan decided that he would not come back from Albion until he had finally penetrated the limey heart of darkness His trip was not in vain Crisscrossing Old Blighty like Cromwell hunting Papists Queenan finally came to terms with the choochiness squiffiness ponciness and sticky wicketness that lie at the heart of the British character Here he is trying to find out whose idea it was to impale King Edward II on a red hot poker and what this says about English sexual politics Here he is in an Edinburgh pub foolishly trying to defend Paul McCartney's Ebony and Ivory And here he is trapped in a concert hall with a Coventry based all Brit Eagles tribute band named Talon who resent that they are nowhere near as famous as their evil nemeses the Illegal Eagles At the end of his epic adventure the author returns chastened none the wiser but encouraged that his wife is actually as sane as she is in light of her fellow countrymen
