with little effort      **Will Write for Food** Dianne Jacob,2015-07-14 The go to soup to nuts guide on how to really make money from food writing both in print and online With recipe driven blogs cookbooks reviews and endless foodie websites food writing is ever in demand In this award winning guide noted journalist and writing instructor Dianne Jacob offers tips and strategies for getting published and other ways to turn your passion into cash whether it s in print or online With insider secrets and helpful advice from award winning writers agents and editors Will Write for Food is still the essential guide to go from starving artist to well fed writer      **The Fallen** Brandy Marks,2023-03-13 The Fallen Description The Fallen is about Sex sin suffering and salvation When the cherub starts a war in heaven and is cast out he must learn to survive in an uninviting land that s as hot as hell or so it seems His commander also a fallen meets an earth woman and impregnates her She gives birth to a son a Nephilim but Anak is not his only child Later in the desert the mother of Anak dies while Anak is busy enjoying the favors of a female after making his way out of the desert To live with his guilt he leaves the Middle East and travels to the Northern country with a female Salma After she marries and ends their affair or so he thought Anak leaves for North Wales where he establishes a home and meets a Faerie queen Meanwhile a dragon attacks and destroys Anak s fields so he and his men search for the dragon and Anak slays it When Lucifer discovers his favorite dragon was slain by the Nephilim he s out for revenge and eventually gets his chance when Anak enters hell with a companion and Fae Kai intent on a rescue mission Eventually the two now on another rescue mission find themselves confronted by Lucifer Now his intention is to destroy Anak except he finds himself challenged by his arch enemy While that battle ensues Anak and Kai flee the hell only to run to learn he has to fight his way out of a castle in order to save the Tuatha de Danaan s daughter Reviewers Comments Populated with famous characters associated with the Bible who take on roles drastically different from what we might expect then adding elements of folklore ramped up the intrigue in this unusual novel Credit must go to Brandy Marks for creating a story that lived up to my basic expectations The characters are well fleshed out and their motivations seem obvious enough while the conversations between them are revealing once you get used to their flowery construct What stands out for me though is the attention to detail From the descriptions of the mythical creatures to the graphic nature of some scenes it is evident that Marks made an extra effort to bring a colorful story to life This is an entertaining novel that would hold its own in the fantasy genre quite well I had always believed that the apple falls close to the tree and that evil begets evil However this book opened my mind to life s infinite possibilities What I loved most about this book is that the narration is told from each character s perspective This is something that I don t usually find and it made the story more interesting The characters are all so different and they each have their particular voice and personality I also enjoyed how the author put so much detail into everything She didn t rush through scenes but instead took her time to describe everything so well you could picture exactly what was happening The impression of hell and the underworld was perfect for a book that stretched beyond the supernatural realm Brandy Marks did an excellent job of creating this world and making me

feel as though I was right in the middle of the action I highly recommend this novel to lovers of thrillers and mythological narratives
