Sex, Power, and Slavery Gwyn Campbell, Elizabeth Elbourne, 2014-12-10 Sexual exploitation was and is a critical feature of enslavement Across many different societies slaves were considered to own neither their bodies nor their children even if many struggled to resist At the same time paradoxes abound for example in some societies to bear the children of a master was a potential route to manumission for some women Sex Power and Slavery is the first history of slavery and bondage to take sexuality seriously Twenty six authors from diverse scholarly backgrounds look at the vexed traumatic intersections of the histories of slavery and of sexuality They argue that such intersections mattered profoundly and indeed that slavery cannot be understood without adequate attention to sexuality Sex Power and Slavery brings into conversation historians of the slave trade art historians and scholars of childhood and contemporary sex trafficking The book merges work on the Atlantic world and the Indian Ocean world and enables rich comparisons and parallels between these diverse areas Contributors David Brion Davis Martin Klein Richard Hellie Abdul Sheriff Griet Vankeerberghen E Ann McDougall Matthew S Hopper Marie Rodet George La Rue Ulrike Schmieder Tara Iniss Mariana Candido James Francis Warren Johanna Ransmeier Roseline Uyanga with Marie Luise Ermisch Francesca Ann Louise Mitchell Shigeru Sato Gabeba Baderoon Charmaine Nelson Ana Lucia Araujo Brian Lewis Ronaldo Vainfas Salah Trabelsi Joost Cot Sandra Evers and Subho Basu

Sex Slave in Cinema Aga Skrodzka, 2025-03-31 This book examines the visual politics of the cinematic figure of the sex slave from its origins in silent film to its iterations in blaxploitation cinema European art cinema Nollywood and in its most concentrated form the Hollywood blockbuster thriller Through close analysis of several film texts that is informed by feminist theory visual studies critical race studies and the political economy of sex work this book argues that the sex slave has long functioned as a disciplinary spectacle that simultaneously commodifies and punishes female flesh The sex slave is used to sell a libidinal fantasy of rescue not of the trafficked woman or child but of the very economic and social order that exploits them

Sex, Slavery and the Trafficked Woman Ramona Vijayarasa, 2016-03-03 Sex Slavery and the Trafficked Woman is a go to text for readers who seek a comprehensive overview of the meaning of human trafficking and current debates and perspectives on the issue It presents a more nuanced understanding of human trafficking and its victims by examining and challenging the conventional assumptions that sit at the heart of mainstream approaches to the topic A pioneering study the arguments made in this book are largely drawn from the author's fieldwork in Ukraine Vietnam and Ghana The author demonstrates to readers how a law enforcement and criminal justice oriented approach to trafficking has developed at the expense of a migration and human rights perspective She highlights the importance of viewing trafficking within a broad spectrum of migratory movement The author contests the coerced female victim archetype as stereotypical and challenges the reader to understand trafficking in an alternative

manner introducing the counterintuitive concept of the voluntary victim Overall this text provides readers of migration and development gender studies women s rights and international law a comprehensive and multidisciplinary analysis of the concept of trafficking The Fourth of August Edward Elgar, Laurence Binyon, 1917 **Sex and Life** Walter Franklin Robie, 1920 **The Vampires Little Sex Slave** Tara Hayes, OVER EIGHTEENS ONLY THE VAMPIRES LITTLE SEX SLAVE Contained within the pages of this book is a paranormal romance with a happy ever after ending it includes very detailed descriptions of sexual acts and fantasies Despite the physical descriptions of some participants within the tale all characters are consenting adults All persons depicted are over the age of eighteen and are not directly related All characters settings and locations are completely fictitious any resemblance to real persons settings or locations is purely coincidental Celeste has a new neighbor and she suspects he d be spying on her from his darkened window she decides to fight fire with fire and tease the old man by leaving her light on knowing he can see her undress Later that night and in the subsequent nights she has some very strange dreams erotic dreams Time goes by and Celeste becomes pregnant The strange thing is that she is still a virgin Skip thirty years forward and the immaculate child Elizabeth one of the wealthiest women in the world becomes embroiled in a power struggle between paranormal beings EXCERPT Knowing he was there should have freaked me out but for some strange reason I d liked it from the beginning In fact I left the light on and the shade up deliberately I got a buzz from the idea that he was watching me whilst fiddling with his wrinkled old p n s I d gotten more and more daring lately instead of standing off slightly to the side and putting my nightdress on over my underwear I d been changing right in the middle of the room in plain sight In fact I d positioned the big cheval mirror just right so he could see me front and back I d stopped looking in his direction I knew I couldn t make eye contact but all the same I didn t want to put him off Tonight I was going to give him a real treat My parents were out so there was no danger that one of them would come in and catch me I stood facing the mirror the black space that was his window clear to me *The Reader's Companion to U.S. Women's History* Wilma Mankiller, 1998 Contains articles on fashion and style household workers images of women jazz and blues maternity homes Native American women Phillis Wheatley homes picture brides single women and teaching *The Plague of Lust* Julius Rosenbaum, 1901 Selling Sex in the City: A Global History of Prostitution, 1600s-2000s , 2017-08-28 Selling Sex in the City offers a worldwide analysis of prostitution since 1600 It analyses more than 20 cities with an important sex industry and compares policies and social trends coercion and agency but also prostitutes working and living conditions
