Rape and Ravishment in the Literature of Medieval England Corinne J. Saunders,2001 The study then considers the treatment of rape and ravishment in a range of literary genres in hagiography female saints are repeatedly threatened with rape the stories of Lucretia and Helen underpin legendary history the acts of rape and ravishment challenge and shape chivalric order in romance otherworldly rapes result in the conception of romance heroes The final two chapters examine the ways in which Malory and Chaucer write and rewrite rape and ravishment BOOK JACKET *Women of Words in Le Morte Darthur* Siobhán M. Wyatt,2016-10-05 Offering a new reading of Malory s famed text *Le Morte Darthur* this book provides the first full length survey of the alterations Malory made to female characters in his source texts Through detailed comparisons with both Old French and Middle English material Siobh n M Wyatt discusses how Malory radically altered his French and English source texts to create a gendered pattern in the reliability of speech depicting female discourse as valuable and truthful Malory s authorial crafting indicates his preference for a certain type of female character self governing opinionated and strong Simultaneously the portrayal of this very readable type yields characterization While late medieval court records indicate an increasingly negative attitude towards female speech and a tendency to punish vociferous women as scolds Malory makes the words of chiding damsels constructive While his contemporary writers suppress the powers of magical women Malory empowers his enchantress characters while the authors of his French source texts accentuate Guinevere s flaws Malory portrays her with sympathy **The British Library General Catalogue of Printed Books to 1975** British Library,1984 *Celtic Culture* John T. Koch,2005-12-16 This encyclopedia covers the entirety of the Celtic world both through time and across geography Although emphasizing the areas where Celtic languages and traditions survive into the present the work does not slight the reaches of the Celtic empire which was the largest language and cultural group on earth prior to the rise of Rome In some 1 500 articles many representing original research by the finest Celtic scholars the work covers the Celts from prehistory to the present giving comprehensive treatment to all topics from myth to music religion to rulers literature to language government to games and all topics in between **The British National Bibliography** ,1968 *Bulletin of Dr. Williams's Library* Dr. Williams's Library,1967 *Subject Catalog* Library

of Congress, Subject Catalog, 1977 Library of Congress, 1977 **Early English Text Society** Mark Eccles, 1969 *War and Peace in the Middle Ages* Brian Patrick McGuire, 1987 □□□□□□□□, 1975 **Refashioning "knights and Ladies Gentle Deeds"** Paul R. Rovang, 1996 While not neglecting the question of direct borrowings author Paul Rovang applies a theory of intertextuality to probe how the poet responded to the chivalric romance themes conventions materials and structures which he encountered in the *Morte Darthur* Both works are treated not as monoliths but as links in a network of texts and other cultural phenomena relating to chivalry In this way a fuller sense is given not only of how vitally connected the two works are but of how Spenser refashioned the transmitted ideals and symbols of Arthurian knighthood for his own age
