Sharp,2018-01-12 Excerpt from *Lyra Celtica* An Anthology of Representative Celtic Poetry Notes have absorbed much of the space which had been allotted for a preliminary dissertation on the distinguishing qualities and characteristics of Celtic literature For most readers the interest of an anthology is independent of any introductory remarks the appeal is in the wares not in the running commentary of the hawker For those however who have looked for a detailed synthesis as well as for the Celticists who may have expected an ample or at least a more adequately representative selection from the older Celtic literatures I have a brief word to say before passing on to the matter in hand About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
