Marti M. Lybeck, 2014-07-09 *Desiring Emancipation* traces middle class German women's claims to gender emancipation and sexual subjectivity in the pre Nazi era The emergence of homosexual identities and concepts in this same time frame provided the context for expression of individual struggles with self femininity and sex The book asks how women used new concepts and opportunities to construct selves in relationship to family society state and culture Taking a queer approach *Desiring Emancipation's* goal is not to find homosexuals in history but to analyze how women reworked categories of gender and sex Marti M Lybeck interrogates their desires demonstrating that emancipation was fraught with conflict anachronism and disappointment Each chapter is a microhistorical recreation of the actions writings contexts and conflicts of specific groups of women The topics include the experience of first generation university students public debates about female homosexuality and the stories of three civil servants whose careers were ruined by workplace accusations of homosexuality The book concludes with a debate between the women who joined the 1920s homosexual movement on the meanings of their new identities *Encyclopedia of Lesbian and Gay Histories and Cultures*

Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full

unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Transecology Douglas A. Vakoch,2020-06-10 There is a growing recognition of the importance of transgender perspectives about the environment Unlike more established approaches in the environmental humanities and queer studies transecology is a nascent inquiry whose significance and scope are only just being articulated Drawing upon the fields of gender studies and ecological studies contributors to this volume engage major concepts widely used in both fields as they explore the role of identity exclusion connection intimacy and emplacement to understand our relationship to nature and environment The theorists and ideas examined across multiple chapters include Stacy Alaimo s notion of trans corporeality as a contact zone between humans and the environment Timothy Morton s concept of mesh to explore the interconnectedness of all beings Susan Stryker s notion of trans identity as ontologically inescapable Catriona Mortimer Sandilands and Bruce Erickson s history of the development of queer rural spaces Judith Butler s analysis of gender as performative with those who are not properly gendered being seen as objects and Julia Serano s contrasting rejection of gender as performance Transecology Transgender Perspectives on Environment and Nature will be of great interest to scholars graduate students and advanced undergraduates in transgender studies gender studies ecocriticism and environmental humanities

BOOK JACKET Schubert's Late Lieder Susan Youens, 2006-11-02 Schubert's Late Lieder is a study of selected songs for voice and piano composed by Schubert between 1822 and his death on 19 November 1928 Circa late 1822 Schubert was diagnosed with syphilis and many of the songs discussed in this book were written under the seal of impending death It is possible to locate in these songs a late song style full of elegiac references to Schubert's other death haunted works and marked by distinctive variation techniques Youens also introduces six of the poets whose texts Schubert set to music

Vertigo Harald Jähner, 2024-09-03 The dramatic and consequential history of Germany's short lived experiment with democracy between the world wars when vibrant cultural experimentation collided with political and economic turmoil Out of the ashes of the First World War Germany launched an unprecedented political project its first democratic government The Weimar Republic named for the city where it was established endured for only fifteen years before it was toppled by the insurgent Nazi Party in 1933 In

Vertigo prizewinning historian Harald J hner tells the Republic s full story capturing a nation caught in a whirlwind of uncertainty and struggling toward a better future In the aftermath of World War I Germany was buffeted by political partisanship economic upheaval and the constant threat of revolutionary violence At the same time many Germans embraced newly liberated lifestyles They flouted gender norms flooded racetracks and dance halls and fostered a vibrant avant garde that encompassed groundbreaking artists like filmmaker Fritz Lang painter Wassily Kandinsky and architect Walter Gropius But this new Germany sparked a reactionary backlash that led to the Republic s fall to the Nazis and ultimately the conflagration of World War II Blending deeply researched political history with the firsthand experiences of everyday people Vertigo is a vital kaleidoscopic portrait of a pivotal moment in German history

Literary Freedom and Social Constraints in the Works of Swiss Writer Gertrud Leutenegger Margrit Verena Zinggeler,2023-12-14 This work analyzes texts by contemporary Swiss writer Gertrud Leutenegger in regard to the interrelationship of literary freedom and social constraints by applying different discursive variants of literary discourse analysis How do the enigmatic texts written in an idiosyncratic and unique style filled with myths and codes of dream and life sequences relate to the Swiss environment Are they just free associations and combinations constituting an esoteric utopia Is Gertrud Leutenegger Ortslos as Martin Roda Becher defines postmodern writers Critical approaches of several schools of literary criticism feminism male gender studies psychoanalysis mythology theory of style linguistics and sociolinguistics contrast the functional textual differentiations A wide interdisciplinary need in literary projects is thus disclosed Therefore this volume is of interest for scholars of all branches of social and literary sciences Unprecedented are the models of masculinity and the images of men derived from a first person singular narrative by a Swiss woman writer She works through the ontological process of subjectivity reflected in the image of a patriarch governor and an Italian immigrant The chapter on Swissness in the Text is of crucial importance concerning the categorization of German Literature and questions about minor literature This socio critical analysis shows that there is a transcendence between the writing subject author and literature Yet the body can be retrieved from literature since das Herz mu im Krper belassen werden als Sitz der Erkenntnis as Gertrud Leutenegger says All her texts are body writings her words originate in the female body experiencing constraints in Switzerland

Women Past and Present Maria Zina Gonalves de Abreu, 2014-06-02 In Western societies many traditional feminist claims have already been fulfilled both in law and in official discourse Indeed legislative steps have already been taken towards securing civil and political rights and equal opportunities for women This of course is not the case in many other regions of the world as some of the chapters in this book clearly testify Yet notwithstanding the gains achieved in Western societies residual forms of resistance and prejudice still persist in discourses categories and discriminative practices in this so called post feminist era Furthermore new manifestations of asymmetries in gender relations and new ways of thinking and experiencing subjectivity are currently emerging as a result of growing globalisation economic crises migration patterns female sex and labour trafficking trans nationalism and new technologies not to mention the beauty and body sculpting industries

Writing travel, writing life Pia S jka, 2023-01-10 The book compares the texts of three Swiss authors Ella Maillart Annemarie Schwarzenbach and Nicolas Bouvier The focus is on their trip from Gen ve to Kabul that Ella Maillart and Annemarie Schwarzenbach made together in 1939 1940 and Nicolas Bouvier 1953 1954 with the artist Thierry Vernet The comparison shows the strong connection between the journey and life and between ars vivendi and travel literature This book also gives an overview of and organises the numerous terms genres and categories that already exist to describe various travel texts and proposes the new term travelling narration The travelling narration looks at the text from a narratological perspective that distinguishes the author narrator and protagonist within the narration In the examination ten motifs could be found to characterise the travelling narration Culture Crossing Borders Freedom Time and Space the Aesthetics of Landscapes Writing and Reading the Self and as the Other Home Religion and Spirituality as well as the Journey The importance of each individual motif does not only apply in the 1930s or 1950s but also transmits important findings for living together today and in the future
