The Desert Training Center/California-Arizona Maneuver Area,

1942-1944 Matt C. Bischoff, 2000 With the German Afrika Korps driving across the North African desert with impunity in 1941 and 1942 the U S Army realized that it might be called upon to assist its British ally in the fight against the Germans and Italians Egypt along with the strategic Suez Canal and the Middle East in general was in danger of being lost to the Axis powers It became imperative that the Axis be expelled from North Africa The U S Army however had never fought a large scale war in a desert environment As a result the Army Ground Forces designated more than 18 000 square miles of the Arizona and California desert as an armored training facility Maj Gen George S Patton Jr was placed in charge of establishing this facility and served as its first commanding officer The facility would thereafter reflect his tough image and relentless training doctrines *Latin America* Adrian J.
