by economic hardship and rampant opioid abuse abandoned by young people and steeped in xenophobic fear Paul A Shackel merges analysis with oral history to document the devastating effects of a lifetime of structural violence on the people who have stayed behind Heroic stories of workers facing the dangers of underground mining stand beside accounts of people living their lives in a toxic environment and battling deprivation and starvation by foraging bartering and relying on the good will of neighbors As Shackel reveals the effects of these long term traumas he sheds light on people s poor health and lack of well being The result is a valuable on the ground perspective that expands our understanding of the social fracturing economic decay and anger afflicting many communities across the United States Insightful and dramatic The Ruined Anthracite combines archaeology documentary research and oral history to render the ongoing human cost of environmental devastation and unchecked capitalism

**First City** Gary B. Nash, 2006-04-05 With its rich foundation stories Philadelphia may be the most important city in America s collective memory By the middle of the eighteenth century William Penn s greene countrie town was after London the largest city in the British Empire The two most important documents in the history of the United States the Declaration of Independence and the Constitution were drafted and signed in Philadelphia The city served off and on as the official capital of the young country until 1800 and was also the site of the first American university hospital medical college bank paper mill zoo sugar refinery public school and government mint In First City acclaimed historian Gary B Nash examines the complex process of memory making in this most historic of American cities Though history is necessarily written from the evidence we have of the past as Nash shows rarely is that evidence preserved without intent nor is it equally representative Full of surprising anecdotes First City reveals how Philadelphians from members of elite cultural institutions such as historical societies and museums to relatively anonymous groups such as women racial and religious minorities and laboring people have participated in the very partisan activity of transmitting historical memory from one generation to the next
