Hidden Star Corinne Joy Brown, 2016 Imagine awakening to a new reality of who you are revealing a hidden past that has shaped your family's history for centuries Fact not fiction this experience has been shared by thousands of descendants of Sephardic Jews who fled Spain and Portugal in the fifteenth and sixteenth centuries seeking safe haven from the ruthless Spanish Inquisition Many had already converted to Catholicism but learned that conversion was not enough to save their lives They established new communities throughout the world living as Catholics on the outside but guarding a precious Jewish heritage in secret an observance reduced over time to mere ritual and custom Meet a modern day member of New Mexico's northern Hispanic settlements who finds a new truth about herself and her family in the unexpected tumult of her life The disappearance of her two children leads her on an inner journey and an outer one into the past and toward a newly imagined future where she can finally choose how she wants to live and who she wants to be Hidden Star was inspired by the

emergence of Spanish Catholics and Protestants in Mexico Texas and the American Southwest who believe they have Jewish roots Today many have thoughts of return or have already begun the process A work of fiction this book was inspired by interviews with actual descendants plus events that shaped this culture s history and suggests that in an era of religious freedom we re more alike than different whatever our heritage we want a better world **Hearts of the Talvarez** Jane A.
