My Bible Pals Things to Know Clare Mishica,1997 Explore the past with the Bible Pals kids and see what life was like in Jesus time Features several New Testament stories a hidden mouse to find and labeled objects for children to identify

Dear Friends Christopher L. Webber,2014-09-02 For almost two thousand years Christians have asked two essential questions What would Jesus do and What would Paul say Paul wrote more of the New Testament than anyone else did and he dealt with the basic problems of his day What should Christians do about marriage What should the relationship be between Jews and Christians What is the Christian responsibility to the state What about ethnic differences What about male and female relationships But Paul did not answer the specific questions many Americans are now asking about marriage interfaith relationships illegal immigrants and the authority of government Now one respected Christian writer has put suggested answers in the form of new letters from Paul to Americans Following the pattern of Paul s letters to Rome Corinth and Galatia a priest of the Episcopal Church has written letters in Paul s name to Washington California Texas and other American cities and states Whether encouraging insightful useful or controversial these letters are a serious attempt to make Paul directly relevant to our time and issues This book is a call for American Christians to think more carefully about the relationship between faith and society and to seek purposeful biblical living **The Pen Pal Volume One** Rayven

Even after 2000 years has passed since Jesus died on the Cross there is still a good deal of debate regarding the authenticity of his teaching Many scholars argue that much of the New Testament cannot be trusted and many people are not totally convinced with the current interpretation of the Old Testament many people are torn and divided between atheism and belief My Opinions on the Bible by Jesus introduces the new interpretation of the Old Testament and presents somewhat different pictures of Jesus teaching and life Whether this story is a mere fiction or a story based on real communion with the spirit of Jesus during the author s prayers can be only determined by each individual reader alone **The Friends' Library** William

Thomas O'Donnell,2008-08-12 Two thousand years ago a simple man walked this planet with a simple message They called him Jesus His was a message of radical exclusion in a world he called the Kingdom of God He spoke in parables grounded in common everyday experiences parables about yeast and leavened bread weeds and mustard seeds fishing nets and pearls In the Kingdom of God everyone was equal and differences made no difference But the world couldn't handle such an outrageous message Whoever heard of a world where differences make no difference Of course they make a difference So they dangled him from a cross for all the world to take note After his death they honored him with a title the Christ and began a whole new religion in his name But for two thousand years far too many have been dishonoring him by misrepresenting his message His

message of radical inclusion has been twisted and contorted into a message that far too many of his followers use to sanction that which he came to overcome Instead of eliminating distinctions between insiders and outsiders pure and impure clean and unclean his message has been used to perpetuate sexism racism age ism homophobia imperialism and all the other isms that stand in the way of radical inclusion All this has happened so gradually literally over centuries if not millennia through crusty old doctrines dogma and creeds that very few have even noticed Christianity has become fat and happy just like the frog in the Parable of the Boiling Frog You stick a frog in a vat of boiling water and it will struggle with all its might to escape an otherwise certain death But if you stick a frog in a vat of lukewarm water and ever so gradually keep warming it one degree at a time the frog will grow comfortable in the increasing warmth of its environment until before he realizes it he has been boiled Two thousand years later it is time to set the record straight time to return to Jesus simple message through the common ordinary experiences of today In the biblical witness Moses wandered in the wilderness for forty years Jesus for forty days So too shall we wander by channel surfing through forty chapters of scripture From Adam and Eve to Ricky Nelsons Garden Party at Madison Square Garden from the Book of Job Eliphaz Bildad and Zophar to The Three Stooges from Matthews and Lukes nativity scenes to Larry Darryl and Darryl of The Bob Newhart Show from the temptation stories and Jesus wandering in the wilderness to American Bandstand the Temptations and Dion from Pilate and Herod cross examining Jesus to Judge Wapner and Judge Judy from atonement theology to Lets Make a Deal it is time to paint our antiquated parables with a more contemporary brush in so doing it is time to turn Jesus simple message into a profound reality Onward radical inclusion On to the Kingdom of God In the immortal words of Bart Simpson Surfs up dude **Talking with Catholic Friends and Family** James G. McCarthy, 2005-01-01 Capturing the heartbeat of the Roman Catholic way of life Talking with Catholic Friends and Family provides an insightful glimpse into the way Catholics think about God the church getting to heaven and the practice of their religion *The Panoplist (and Missionary magazine) conducted by an association of friends to evangelical truth ,1806*
