National Dream The Great Railway 1871 1881

Ninette Kelley, Michael J. Trebilcock

National Dream The Great Railway 1871 1881:

The National Dream Pierre Berton, 2011-06-22 In 1871 a tiny nation just four years old its population well below the 4 million mark determined that it would build the world's longest railroad across empty country much of it unexplored This decision bold to the point of recklessness was to change the lives of every man woman and child in Canada and alter the shape of the nation Using primary sources diaries letters unpublished manuscripts public documents and newspapers Pierre Berton has reconstructed the incredible decade of the 1870s when Canadians of every stripe contractors politicians financiers surveyors workingmen journalists and entrepreneurs fought for the railway or against it The National Dream is above all else the story of people It is the story of George McMullen the brash young promoter who tried to blackmail the Prime Minister of Marcus Smith the crusty surveyor so suspicious of authority he thought the Governor General was speculating in railway lands of Sanford Fleming the great engineer who invented Standard Time but who couldn't make up his mind about the best route for the railway All these figures and dozens more including the political leaders of the era come to life with all their human ambitions and failings The Great Railway Pierre Berton, 1972 *Immigration and Settlement, 1870-1939* Gregory P. Marchildon, 2009 Immigration and Settlement 1870 1939 includes twenty articles organized under the following topics the Opening of the Prairie West First Nations and the Policy of Containment Patterns of Settlement and Ethnic Relations and Identity in the New West The second volume in the History of the Prairie West Series Immigration and Settlement includes chapters on early immigration patterns including transportation routes and ethnic blocks as well as the policy of containing First Nations on reserves Other chapters grapple with the various identities preferences and prejudices of settlers and their complex relationships with each other as well as the larger polity The Making of the Mosaic Ninette Kelley, Michael J. Trebilcock, 2010-01-01 A coherent and lively tale that traces in considerable detail the evolution of Canadian immigration policy Christopher G Anderson Journal of Canadian Studies A thorough account of Canada's immigration policies Any reader interested in immigration to Canada now has a one stop source for its history Douglas Fisher Ottawa Sun A closely textured well conceived narrative an ambitious work that is tremendously reader friendly Barbara Lorenzkowski Social History Masterful and meticulously documented J D Blackwell Choice A rich resource for scholars of Canadian immigration John Harles Canadian Journal of Political Science The Sporting Scots of Nineteenth-century Canada Gerald Redmond, 1982 This book examines the role of the Scots in the development of Canadian sport The evidence from the wide range of primary and secondary sources cited by the author proves that the Scottish contribution was significant A Business History of Alberta Henry Cornelius Klassen, 1999 Klassen looks at the role businesses have played in the economic political and social development of the province since the earliest European traders Relying heavily on analysis and case studies he considers the birth of business firms and the subsequent effects they have had on broader political and cultural matters Canadian card order number C99 910550 7 Annotation copyrighted by Book News Inc Portland OR Fire Canoe

Ted Barris,2015-09-26 Years before railroads arrived the Canadian West was opened up by an unlikely breed of ship steamboats plying Prairie waterways Their aboriginal pilots experts at reading the tricky waterways called the ships fire canoes By day they chased freight contracts but at night they introduced the Edwardian Prairies to pleasure cruises

Canada Michelangelo Sabatino,Rhodri Windsor Liscombe,2016-11-15 Canada is a country of massive size of diverse geographical features and an equally diverse population all features that are magnificently reflected in its architecture In this book Rhodri Windsor Liscombe and Michelangelo Sabatino offer a richly informative history of Canadian architecture that celebrates and explores the country s many contributions to the spread of architectural modernity in the Americas A distinct Canadian design attitude coalesced during the twentieth century one informed by a liberal hybrid and pragmatic mindset intent less upon the dogma of architectural language and more on thinking about the formation of inclusive spaces and places Taking a fresh perspective on design production they map the unfolding of architectural modernity across the country from the completion of the transcontinental railway in the late 1880s through to the present Along the way they discuss architecture within the broader contexts of political industrial and sociocultural evolution the urban suburban expansion and new building technologies Examining the works of architects and firms such as ARCOP Eric Arthur Ernest Cormier Brigitte Shim and Howard Sutcliffe this book brings Canadian architecture chronologically and thematically to life **The Railroad**

Tycoon Who Built Chicago Jack Harpster,2009-08-28 William Butler Ogden was a pioneer railroad magnate one of the earliest founders and developers of the city of Chicago and an important influence on U S westward expansion His career as a businessman stretched from the streets of Chicago to the wilds of the Wisconsin lumber forests from the iron mines of Pennsylvania to the financial capitals in New York and beyond Jack Harpster s The Railroad Tycoon Who Built Chicago A Biography of William B Ogden is the first chronicle of one of the most notable figures in nineteenth century America Harpster traces the life of Ogden from his early experiences as a boy and young businessman in upstate New York to his migration to Chicago where he invested in land canal construction and steamboat companies He became Chicago s first mayor built the city s first railway system and suffered through the Great Chicago Fire His diverse business interests included real estate land development city planning urban transportation manufacturing beer brewing mining and banking to name a few Harpster however does not simply focus on Ogden s role as business mogul he delves into the heart and soul of the man himself The Railroad Tycoon Who Built Chicago is a meticulously researched and nuanced biography set against the backdrop of the historical and societal themes of the nineteenth century It is a sweeping story about one man s impact on the birth of commerce in America Ogden s private life proves to be as varied and interesting as his public persona and Harpster weaves the two into a colorful tapestry of a life well and usefully lived **Montreal's Square Mile** Dimitry

Anastakis,Elizabeth Kirkland,Don Nerbas,2024-07-05 In nineteenth century Canada the Square Mile was an elite residential district in Montreal that represented a dramatic new concentration of wealth Montreal s Square Mile chronicles the history

of the neighbourhood from its origins to its decline including the diverse and far reaching sources of its making and its twentieth century transformations Spanning the interconnected worlds of family and home life business and high politics architecture and urban redevelopment this interdisciplinary and richly illustrated volume presents a new account of the Square Mile s history and an investigation of the neighbourhood s impact beyond the immediate urban environment

Through an Unknown Country Charles Helm,2015 Based on previously unpublished reports and journals thought to be lost Through An Unknown Country provides the reader with a harrowing and riveting account of a 19th century expedition through the northern mountain ranges of western Canada In the winter of 1874 75 Edward Worrell Jarvis 1846 1894 and Charles Francis Hanington 1848 1930 took part in an expedition on behalf of the Canadian Pacific Survey from Quesnel British Columbia to Winnipeg Manitoba It led them over the northern Rocky Mountains through what would come to be known as Jarvis Pass Kakwa Provincial Park British Columbia and eventually onto the Canadian plains The trip took them 116 days and covered over 3000 kilometres of which almost 1500 was travelled on snowshoes Through An Unknown Country brings together the day to day reports of Jarvis and the more entertaining narrative of the epic journey by Hanington into a single volume for the first time Recounting harrowing treks through deep mountains densely forested valleys open foothills and wide prairie this highly readable adventure story can most certainly be read alongside the better known journals of Alexander Mackenzie Simon Fraser David Thompson and Paul Kane

A History of Migration from Germany to Canada, 1850-1939 Jonathan Wagner,2011-11-01 Human migration figures prominently in modern world history and has played a pivotal role in shaping the Canadian national state Yet while much has been written about Canada s multicultural heritage little attention has been paid to German migrants although they compose Canada s third largest European ethnic minority A History of Migration from Germany to Canada 1850 1939 addresses that gap in the record Jonathan Wagner considers why Germans left their home country why they chose to settle in Canada who assisted their passage and how they crossed the ocean to their new home as well as how the Canadian government perceived and solicited them as immigrants He examines the German context as closely as developments in Canada offering a new more complete approach to German Canadian immigration This book will appeal to students of German Canadiana as well as to those interested in Canadian ethnic history and European and modern international migration

Urban Affairs in Alberta David George Bettison,John. K. Kenward,Larrie Taylor,1975 No description *Margaret Laurence and Jack McClelland, Letters* Linda M. Morra,Laura K. Davis,2018-04-30 An edited annotated collection of funny affectionate and insightful letters between two Canadian literary icons

A Brief History of Canada Roger E. Riendeau,2007 Presents a concise history of Canada from the time of early exploration by Europeans to the present day *The Honourable John Norquay* Gerald Friesen,2024-04-12 The life and times of the Premier from Red River John Norquay orphan and prodigy was a leader among the Scots Cree peoples of western Canada Born in the Red River Settlement he farmed hunted traded and taught school before becoming a legislator cabinet

minister and from 1878 to 1887 premier of Manitoba Once described as Louis Riel's alter ego he skirmished with prime minister John A Macdonald clashed with railway baron George Stephen and endured racist taunts while championing the interests of the Prairie West in battles with investment bankers Ottawa politicians and the CPR His contributions to the development of Canada's federal system and his dealings with issues of race and racism deserve attention today Recounted here by Canadian historian Gerald Friesen Norquay's life story ignites contemporary conversations around the nature of empire and Canada's own imperial past Drawing extensively on recently opened letters and financial papers that offer new insights into his business family and political life Friesen reveals Norquay to be a thoughtful statesman and generous patriarch This masterful biography of the Premier from Red River sheds welcome light on a neglected historical figure and a tumultuous time for Canada and Manitoba

Negotiating a River Daniel MacFarlane, 2014-03-01 A megaproject half a century in the making the planning and building of the St Lawrence Seaway and Power Project is one of the defining episodes in North American history Possibly the largest construction undertaking in Canadian history and one of the most ambitious borderlands projects ever embarked upon by two countries it also required decades of negotiation and the controversial relocation of thousands of people Negotiating a River looks at the profound impacts of this megaproject from the complex diplomatic negotiations political manoeuvring and environmental diplomacy to the implications on national identities and transnational relations

Guarding the Gates David Goutor, 2011-11-01 From the 1870s until the Great Depression immigration was often the question of the hour in Canada Politicians the media and an array of interest groups viewed it as essential to nation building developing the economy and shaping Canada's social and cultural character One of the groups most determined to influence public debate and government policy on the issue was organized labour and unionists were often relentless critics of immigrant recruitment Guarding the Gates is the first detailed study of Canadian labour leaders approach to immigration a key battleground in struggles between different political factions within the labour movement This book provides new insights into labour immigration social and political history

Roads, Mobility, and Violence in Indigenous Literature and Art from North America Deena Rymhs, 2018-12-20 Roads, Mobility, and Violence in Indigenous Literature and Art from North America explores mobility spatialized violence and geographies of activism in a diverse archive of literary and visual art by Indigenous authors and artists Building on Raymond Williams's observation that traffic is not only a technique it is a form of consciousness and a form of social relations this book pulls into focus racial sexual and environmental violence localized around roads Reading this archive of texts next to lived struggles over spatial justice Rymhs argues that roads are spaces of complex signification For many Indigenous communities the road has not often been so open Recent Indigenous writing and visual art explores this tension between mobility and confinement Drawing primarily on the work of Marie Clements Tomson Highway Marilyn Dumont Leanne Simpson Richard Van Camp Kent Monkman and Louise Erdrich this volume examines histories of uprooting and violence associated with roads Along with

exploring these fraught histories of mobility this book emphasizes various ways in which Indigenous communities have transformed roads into sites of political resistance and social memory **Whom Fortune Favours** Laurence B. Mussio, 2020-04-16 The Bank of Montreal is not only Canada's first bank it has also occupied a prominent place in the pantheon of Canadian nation building *Whom Fortune Favours* examines the trajectory of this extraordinary organization across the span of two centuries The historian Laurence Mussio applies an analytical lens to a financial institution whose strategies fundamentally shaped and were shaped by the evolution of a country and a continent The Bank of Montreal BMO represents an extremely rare institution one that has both endured and adapted to fundamental change The depth and breadth of the Bank's history offer a unique opportunity to analyze a singular organization over ten generations As an institution BMO played a critical part in the destiny of its home city and in the emergence of Canada on an international scene Crucial to the development of Canadian and North American financial systems BMO shaped the political economy of banking Over the last half century the institution's response to successive economic technological demographic and regulatory shifts illustrates how Canadian and North American finance has adapted to the challenges before it At its heart *Whom Fortune Favours* presents a multifaceted story about the making of contemporary finance This epic chronicle is the result of a massive research effort incorporating thousands of never before released internal documents Mussio's accessible narrative will appeal to both scholars and executives who seek to understand the origins development and present day implications of one of North America's great institutions
