Voxman, 1989-03 **Brass in Color** Sean Burdette, 2018-10-29 Euphonium Baritone Book Two of the Brass in Color Beginner Method Series uses a color coded tablature Color Fingerings to help students learn the fingerings of the euphonium baritone and apply them to notes in the Low Range The Low Range begins with the notes Bb A notated on the staff and the remaining notes of the Low Range are presented in a descending chromatic order and end with the note E that is notated below the staff For each lesson the notes of the Low Range will be introduced relative to the notes of the Middle Range and these notes will correspond with the Color Fingerings In this way students will be able to see how the same fingerings are used to play

different notes on the euphonium baritone In addition to learning the notes of the Low Range students will be introduced to the music concepts of slurs eighth notes and scales Standard music notation has also been included with each lesson to help the instructor know which notes to play and to teach students how to read the notes as they match them with the fingerings of the euphonium baritone Breath marks articulation dynamics and tempi are not noted in the lessons and may be added by the instructor as needed Also key signatures are not used so that students will focus primarily on listening and learning the fingerings associated with the notes This beginner method series for euphonium baritone also has a companion website www.brassincolor.com On the website you will find audio for each lesson as well as different activities videos and other resources to help students learn to play the euphonium baritone
