Onward Muslim Soldiers Robert Spencer, 2013-02-05 In Onward Muslim Soldiers the author of Islam Unveiled reveals why the threat of violent jihad is growing daily despite America's recent victory in Iraq Spencer uncovers the cause of global violence as he goes straight to Muslim sources Stephen Blanton, 2011-01-01 What motivates some followers of Islam to commit terrorist acts What does the Islamic holy book say about murder war and women's rights Why won't moderate Muslims speak out against mass murder committed by their extremist brothers Should we take Islamic jihadists seriously when they proclaim their goal of world conquest Can anything be done to stop Islamic violence The Heart of Islam answers these questions clearly and succinctly with easily verifiable facts The world view of Islam will change when its doctrines strategies and history become widely known The time to learn is now Blog <http://theheartofislam.wordpress.com> Twitter <http://twitter.com/stephenblanton> Facebook <https://www.facebook.com/pages/The-Heart-Of-Islam/151931891539269> pages The Heart Of Islam 151931891539269 sk wall *Thirty-Three Secrets Arab Men Never Tell American Women* Cassandra, 2008-02-26 There exists in this world people who have no soul Anyone who could inflict such endless cruelty on women and children is less than human It's hard for me to find the precise words I can use to describe my feelings about this reading experience deep sadness blistering rage and a need to take revenge Intellectually I know all this is counterproductive and a punishment inflicted upon myself However *Thirty Three Secrets Arab Men Never Tell American Women A Dissection of How Muslims Treat Women and Infidels* is a wake up call for any women who would let her heart rule her head in personal relationships no matter what the cultural background or religion Politically Incorrect Guide to Islam (And the Crusades) Robert Spencer, 2005-08-01 The courageous Robert Spencer busts myths and tells truths about jihadists that no one else will tell MICHELLE MALKIN While many choose to simply blame the West for provoking terrorists Robert Spencer's new book *The Politically Incorrect Guide to Islam and the Crusades* reveals why it is time to ignore political correctness and identify the enemy if we hope to ever defeat them In a fast paced politically incorrect tour of Islamic teachings and Crusades history Spencer reveals the roots of Islamic violence and hatred Spencer refutes the myths popularized by left wing academics and Islamic apologists who justify their political agendas with contrived historical facts Exposing myth after myth *The Politically Incorrect Guide to Islam and the Crusades* tackles Islam's institutionalized mistreatment of non Muslims the stifling effect Islam has on science and free inquiry the ghastly lure of Islam's X rated Paradise for suicide bombers and jihad terrorists the brutal Islamic conquests of the Christian lands of the Middle East and North Africa and more In *The Politically Incorrect Guide to Islam and the Crusades* you will learn How Muhammad did not teach peace and tolerance instead he led armies and ordered the assassination of his enemies Why American Muslim groups and left wing academics are engaged in a huge cover up of Islamic doctrine and history How today's jihad terrorists following the Qur'an's command to make war on Jews and Christians have the same motives and goals as the Muslims who fought the

Crusaders Why the Crusades were not acts of unprovoked aggression by Europe against the Islamic world but a delayed response to centuries of Muslim aggression What must be done today from reading the Qur'an to reclassifying Muslim organizations in order to defeat jihad terrorists *The Indictment* Sabina Citron, 2006 Pp 9 334 contain 39 chapters many of which were originally written as individual essays Citron is a Holocaust survivor from Poland the foreword p 1 5 relates her experiences in 1942 45 when at the age of thirteen she was deported to Auschwitz then sent to various work camps In April 1945 she and her mother were placed in a cattle car transport with ca 1 000 women which was bombed by the Allies near Berlin she and her mother survived but about 500 women were killed in the bombing Later she settled in Israel The chapters discuss issues such as the roots of antisemitism Christian hatred of the Jews throughout the centuries anti Jewish propaganda on the part of the Church the Nazis and now the Arabs who aim to destroy the Jewish people and the State of Israel The indictment is against all of the forces who in the past and in the present have hated the Jews and wished to destroy them Pp 335 356 contain 13 appendixes relating to the Arab conflict with Israel Islam in Global Politics Bassam Tibi, 2012-03-12 This book examines global and local politics and how Islam impacts on civilizational relations between different groups and polities In particular he examines how Islamism as opposed to Islam becomes an immediate source of tension and conflict between the secular and the religious Tibi rejects the clash of civilizations theory and argues for the revival of Islamic humanism to help bridge the gap *Winning the Unwinnable War* Elan Journo, 2009-09-29 Eight years after 9 11 and in the shadow of two protracted U S military campaigns in the Middle East the enemy is not only undefeated but emboldened and resurgent What went wrong and what should we do going forward *Winning the Unwinnable War* shows how our own policy ideas led to 9 11 and then crippled our response in the Middle East and it makes the case for an unsettling conclusion By subordinating military victory to perverse allegedly moral constraints Washington's policy has undermined our national security Owing to the significant influence of Just War Theory and neoconservatism the Bush administration consciously put the imperative of shielding civilians and bringing them elections above the goal of eliminating real threats to our security Consequently this policy left our enemies stronger and America weaker than before The dominant alternative to Bushesque idealism in foreign policy so called realism has made a strong comeback under the tenure of Barack Obama But this nonjudgmental supposedly practical approach is precisely what helped unleash the enemy prior to 9 11 The message of the essays in this thematic collection is that only by radically re thinking our foreign policy in the Middle East can we achieve victory over the enemy that attacked us on 9 11 We need a new moral foundation for our Mideast policy That new starting point for U S policy is the moral ideal championed by the philosopher Ayn Rand rational self interest Implementing this approach entails objectively defining our national interest as protecting the lives and freedoms of Americans and then taking principled action to safeguard them The book lays out the necessary steps for achieving victory and for securing America's long range interests in the volatile Middle East Religious Violence and Conciliation in Indonesia Sumanto Al
