

THE GOSPEL ACCORDING TO JOHN

John wrote his Gospel to inspire faith. John knew Jesus intimately, and John's Gospel provides an intimate portrait of the Lord. John referred to himself as "the disciple Jesus loved." His Gospel has become the "beloved Gospel" of the church. Here we meet Nicodemus, doubting Thomas, Lazarus, and the Samaritan woman at the well. John records Jesus' most memorable sayings, his longest sermon, and his most profound miracles. Here we meet Jesus' "I am" statements.

A Theology of John's Gospel and Letters Andreas J. Köstenberger, 2009 The first title in Zondervan's new eight volume Biblical Theology of the New Testament series this landmark textbook by leading Johannine scholar Andreas Köstenberger thoroughly explores John's Gospel and letters and relates them to the rest of the New Testament and the Bible as a whole *The Gospel of John* Judith Schubert RSM, 2016-08-23 The Gospel of John Question by Question provides useful material and a format that will enhance both introductory courses in the Gospel of John and adult study groups Other publications on the topic offer comments on every chapter of the Gospel or topical explanations of the Gospel's subject matter This book combines these two practices often in that it provides brief commentary on biblical texts and periodically provides background on a topic relative to the Gospel The book consists of twenty chapters Each chapter includes an Introduction of pertinent information that will be helpful before reading the biblical text One of the main features of the book surfaces in the Questions that appear in each chapter which help clarify the meaning and message of the text and its context These questions intend to clarify the issues of each chapter by raising an inquiry into an unclear issue Answers appear in the second section of the book so as to provide the opportunity for the reader to discover the answer before turning to responses that have been provided for each question At the end of the Questions in each chapter a Conclusion will summarize the chapter and advance the reader to the next chapter *Opening John's Gospel and Epistles* Philip Wesley Comfort, Wendell C. The Gospel of John Frederick Dale Bruner, 2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers *The Gospel of John A Commentary* more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church's major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner's other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner's earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike

The Gospel of John Arno Clemens Gaebelein, 1925 *The Gospel of John and Jewish-Christian Relations* Adele Reinhartz, 2018-10-15 The Fourth Gospel is at the same time a sublime work that has inspired and enriched the faith of countless Christians and a problematic text that has provided potent anti Jewish imagery exploited in anti Jewish and anti Semitic discourse over the course of two millennia The Fourth Gospel contains approximately 70 references to *hoi ioudaioi* a designation most often and best translated as the Jews Several of these references are neutral or descriptive referring to Jewish festivals or specific practices and some depict individual Jews or Jewish groups as interested in Jesus message The vast majority however express a negative or even hostile stance towards the Jews These passages express several themes that became central to Christian anti Jewish and anti Semitic discourse These include the charge of deicide killing God and the claim that the Jews have the devil as their father 8:44 The essays in this book address both the Gospel's stance towards the Jews and the Gospel's impact on Jewish Christian relations from antiquity to the present day in a range of media including sermons iconography art music and film A short volume of collected essays cannot hope to address the full history of the Fourth Gospel's impact on Jewish Christian relations Nevertheless it is hoped that this volume will contribute to the efforts of Christians and Jews alike to find ways to appreciate what is good and life affirming about the Gospel of John while also acknowledging the damaging impact of its portrayal of

Jews as the children of Satan and the killers of Christ Only when Christians disavow this portrayal can the Gospel of John continue to be a true source of inspiration and perhaps even a path forward in the relationships between Jews and Christians in the modern world
