Congress. Senate. Committee on Foreign Relations,1967 *Pacific Island Women and Contested Sporting Spaces* Yoko Kanemasu,2023-06-26 This book focuses on the variety of strategies developed by women athletes in the Pacific Islands to claim contested sporting spaces in particular rugby union soccer beach volleyball recreational sports and exercise as a prism to explore grassroots women s engagement with heavily entrenched postcolonial hetero patriarchy Based on primary research conducted in Fiji Samoa Solomon Islands and Vanuatu the book investigates contested sporting spaces as sites of infrapolitics intersected primarily by gender and also by other markers of inequality including ethnicity sexuality class and geopolitics Contrary to historical and contemporary representations of Pacific Island women as victims of gender injustice it explores how these athletes and those who support them actively carve out space for their transformative agency Pacific Island Women and Contested Sporting Spaces Staking Their Claim focuses on a region underexamined by sport or gender studies researchers and will be of key interest to scholars and students in Gender Studies Sport Studies Sociology and Pacific Studies as well as sport practitioners and policymakers

Intimate Rivals Sheila A. Smith,2015 The first in depth analysis of the geostrategic change that has reshaped Japan s social and political relationship with China *Viet-Nam in Brief* United States. Department of State. Office of Media Services,1967 Vietnam Review ,1967 *The Gulf of Tonkin, the 1964 Incidents* United States. Congress. Senate. Committee on Foreign Relations,1968 **China's Use of Military Force in Foreign Affairs** Markus B. Liegl,2017-03-16 This book explains why China has resorted to the use of large scale military force in foreign affairs How will China use its growing military might in coming crisis and existing conflicts This book contributes to the current debate on the future of the Asia Pacific region by examining why China has resorted to using military force in the past Utilizing fresh theoretical insights on the causes of interstate war and employing a sophisticated methodological framework the book provides detailed analyses of China s intervention in the Korean War the Sino Indian War China s border clashes with the Soviet Union and the Sino Vietnamese War It argues that China did not employ military force in these wars for the sake of national security or because of material issues under contestation as frequently claimed Rather the book s findings strongly suggest that considerations about China s international status and relative standing are the principal reasons for China s decision to engage in military force in these instances When reflecting the study s central insight back onto China s contemporary territorial conflicts and problematic bilateral relationships it is argued that the People s Republic is still a status seeking and thus highly status sensitive actor As a result China s status ambitions should be very carefully observed and well taken into account when interacting with the PRC This book will be of much interest to students of Chinese foreign policy Asian politics military and

strategic studies and IR in general *Foreign Assistance Act of 1968* United States. Congress. Senate. Committee on Foreign Relations, 1968 **Asia-Pacific in the New World Order** Christopher Brook, Anthony McGrew, 2013-11-05 Asia Pacific in the New World Order critically explores the notion that a distinctive regional power bloc is developing linking countries bordering the Pacific with East Asia at its core This student friendly volume sheds light on the complex interplay between global regional and national forces which have transformed the Asia Pacific area into one of the most vibrant and economically successful regions in the world Historical narratives alongside geopolitical and geoeconomic perspectives are deployed to examine the shifting pattern of power relations and security structures across the region set within a wider world context Key issues addressed include what are the primary security problems of the region and how are they being resolved does the dynamic growth of the region and particularly the rise of China pose a challenge to existing structures of world order The text has a strong interdisciplinary flavour drawing on analytical approaches from the international relations political economy and political geography literature Authors have been drawn from the Asia Pacific region and the UK and all are established scholars in their specialist fields **Piracy and Maritime Crime: Historical and Modern Case Studies** Bruce A. Ellerman, Andrew Forbes, David Rosenberg, 2011 [ASEAN Australia Review 2020](#) Christopher Khatouki, Jonald Bagasina, Claire Woodwell, Unaesah Rahmah, Ahmad Helmi Hasbi, Heath Sloane, Aisyah Ananda Agsmy, Farah Meilia, Muhammad Ichsan, Ilyas Taufiqurrohman, Yin Li, Hilda Yanuar Jong, Daravuth Rath Sithy, Suthida Chang, Nitika Midha, Min Punia, Queenie Pearl Tomaro, Mia Dunphy, Isadora Vadasz, Shantanu Paul, 2021-05-29 The ASEAN Australia Review is the flagship publication of the ASEAN Australia Strategic Youth Partnership AASYP The 2020 edition features sixteen articles from young authors across Southeast Asia and Australia on diverse range of topics centred around the theme of Australia ASEAN Cooperation *The Pacific Coast Musician*, 1929 **Paradoxes Of China's Prosperity: Political Dilemmas And Global Implications** Guoguang Wu, 2015-01-15 The world seems divided to either applaud or fear the rise of China but this book probes deeper by investigating three aspects of the phenomenon in detail 1 the institutional dilemmas of the prosperity as it integrates Asian authoritarianism with globalizing capitalism to create economic accomplishments 2 the political struggles alongside the prosperity as Chinese citizens begin to demand equality rights and justice that might be viewed to disturb the continuity of stability and development and 3 the global implications entailed by the prosperity not only in power politics war and peace or competitions among nations but especially on global public goods termed human security Articles included here combine political economic analyses lens with historical depth and global concerns to add a perspective that highlights the paradoxes of prosperity surrounding the ongoing debate on the rise of China and its global ramifications Readers will find an analysis that goes beyond the dichotomy viewing the rise of China either in positive or negative perspectives Investigations on the internal dilemmas and the global implications of the rise of China are well situated in the historical context of China's own search for modernization since the late 19th century This is one of the few

books in which China's rise is examined from a global perspective rather than from a national perspective of China the United States or any other specific nation a global perspective that addresses the challenges facing all human societies with the rise of China

Latinos and U.S. Foreign Policy Rodolfo O. De la Garza, Harry Pachon, 2000 Public policy elites and the general U S public doubt the depth of Latino patriotism suspecting Latinos of representing their homelands interests over and above those of the U S Through a series of studies surveying Latinos throughout the U S this book demonstrates that Latino Americans are more like other Americans with respect to foreign policy than is popularly assumed

China and the International System, 1840-1949 David Scott, 2008-11-07 As China continues its rapid ascent within the international system questions of where it came from have particular relevance Combining history with international relations theory David Scott considers China's first substantive modern period of encounter with the West from 1840 through 1949 a period characterized as the Century of Humiliation During this time China fell from Middle Kingdom preeminence to a position in the international system that remained an enigmatic and challenging one too strong to be taken over as a colony yet not strong enough to shape its own destiny At the heart of Scott's study is encounter and with it questions of power presence and perceptions He examines the images hopes and fears that were evoked during China's century long subservience to external powers including opposing views of China as a threat or China as the sick man of Asia and the West as evil or the West as savior China and the Chinese are explored in terms of their interaction with the international system with a particular focus on America and Australia
