sexualities especially those historically designated as gay lesbian bisexual and or transgendered [The Album Writer's Friend](#), 1881 **The Playmates of Harvest View** Doris Christian-Johnson, 2020-10-07 *The Playmates of Harvest View* is an absorbing story of deception romance forbidden desires murder and greed In a small secluded close knit community in the state of Missouri three sisters Rebecca Neaverna and Samantha Palermo like most enjoyed the security and tranquility until that late afternoon in June Their peaceful lives were splintered when Rebecca went missing and later found raped and murdered Her friends and male playmates Thaddeus Kennedy Jeremy Browriskyzcoff Mancina Joel Earl Baptista and Joseph Mancina vowed to avenge her death in later years at any cost The suspects Peter Cruzada and his friends Timothy Monacelli Sampson Durgard and Travis Harvey were the teenage sons of super rich and powerful parents who lived the lives of luxury in the suburbs They were the elites of society and deemed the pillars of their community At an early age the little band of boys child play turned into something far greater than anything one could've ever imagined Their cruel behaviors landed them in juvenile detention facilities This was just the beginning of a life that placed the group of boys on the wrong side of the law In later years a rash of murders and heavy drug trafficking throughout the United States Canada South and Central

America and the Caribbean islands came to the attention of the United States government Their investigation of these crime sprees led them to the tight closed doors of Peter and his gang The gang had grown into a well organized drug cartel The world was their playground and they had become the untouchables The Central Intelligence Agency Special Task Force was formed and Thaddeus was the CIA agent who was appointed to oversee the operation His job was to apprehend Peter and his gang by any means necessary He recruited his friends who were also his childhood playmates to assist him in apprehending the gang They never thought that their innocent child play of crooks and robbers would manifest into real life drama The relentless manhunt led them to the other side of the world and back again Things intensified when they learned that their former classmate Karen Shaw was part of the gang She was dubbed the Gutsy Missouri Bad Girl Fearless and bold beyond the meaning of the word she craved bloodshed which was evidenced in the string of murder victims that she left in every path that she chose to travel Already faced with unimaginable danger even death the Central Intelligence Agency Special Task Force discovered that Peter and his gang had joined forces with a few dirty CIA agents Driven by greed and the desire to control the underground world the gang clashed with the mighty playmates of Harvest View In a bloody showdown in Las Vegas Nevada their reign of terror came to an end Through the years dating all the way back to their childhood the playmates of Harvest View s relationships with the sisters of the murdered girl progressed to matrimony and a lifestyle of class and distinction Easily said but not so easily done This superbly crafted novel has near perfect balance of action and will attract readers from multiple genres It s filled with vivid characters whom you would fall in love with and some you would love to hate The dramatic actions of these characters pull the readers into incredible sequences of jaw dropping spellbinding and page turning suspense

Contemporary Gay American Poets and Playwrights Emmanuel S. Nelson, 2003-06-30 Gay presence is nothing new to American verse and theater Homoerotic themes are discernible in American poetry as early as the 19th century and identifiably gay characters appeared on the American stage more than 70 years ago But aside from a few notable exceptions gay artists of earlier generations felt compelled to avoid sexual candor in their writings Conversely most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work This reference is a guide to their creative achievements Alphabetically arranged entries present 62 contemporary gay American poets and dramatists While the majority of included writers are younger artists who came of age in the post Stonewall U S some are older authors whose work has continued or persisted into recent decades A number of these writers are well known including Edward Albee Harvey Fierstein and Allen Ginsberg Others such as Alan Bowne Timothy Liu and Robert O Hara merit wider recognition Each entry is written by an expert contributor and includes a biography a discussion of major works and themes an overview of the author's critical reception and primary and secondary bibliographies

Dreamways of the Iroquois Robert Moss, 2004-12-16 Explores the ancient Iroquois tradition of dreams healing and the recovery of the soul Explains Native American shamanic dream practices and their applications and purpose in modern life Shows how dreams call us to remember and honor our soul's true purpose Offers powerful Active Dreaming methods for regaining lost soul energy to restore our vitality and identity The ancient teaching of the Iroquois people is that dreams are experiences of the soul in which we may travel outside the body across time and space and into other dimensions or receive visitations from ancestors or spiritual guides Dreams also reveal the wishes of the soul calling us to move beyond our ego agendas and the web of other people's projections into a deeper more spirited life They call us to remember our sacred contracts and reclaim the knowledge that belonged to us on the levels of soul and spirit before we entered our present life experience In dreams we also discover where our vital soul energy may have gone missing through pain or trauma or heartbreak and how to get it back Robert Moss was called to these ways when he started dreaming in a language he did not know which proved to be an early form of the Mohawk Iroquois language From his personal experiences he developed a spirited approach to dreaming and living that he calls Active Dreaming Dreamways of the Iroquois is at once a spiritual odyssey a tribute to the deep wisdom of the First Peoples a guide to healing our lives
