Zabecki, 2019-12-02 This invaluable resource offers students a comprehensive overview of the German war machine that overran much of Europe during World War II with close to 300 entries on a variety of topics and a number of key primary source documents This book provides everything the reader needs to know about the German war machine that developed into the potent armed force under Adolf Hitler This expansive encyclopedia covers the period of the German Third Reich from January 1933 to the end of World War II in Europe in May 1945 Dozens of entries on key battles and military campaigns military and political leaders military and intelligence organizations and social and political topics that shaped German military conduct during World War II are followed by an

illuminating epilogue that outlines why Germany lost World War II A documents section includes more than a dozen fascinating primary sources on such significant events as the Tripartite Pact among Germany Italy and Japan the Battle of Stalingrad the Normandy Invasion the Ardennes Offensive and Germany's surrender In addition six appendices provide detailed information on a variety of topics such as German aces military commanders and military medals and decorations The book ends with a chronology and a bibliography of print resources

Rhineland Anthony Tucker-Jones, 2025-10-09 A dramatic retelling of the desperate battle of the Rhineland during World War II from the German perspective The Rhineland was where Adolf Hitler sowed the seeds for the Second World War when he remilitarized it in breach of the Treaty of Versailles in 1936 and by late 1944 the Rhine provided the last major obstacle to the advancing Allied armies that were threatening the Fatherland itself In this new history of this vital campaign respected military historian Anthony Tucker Jones describes the race against time as the Germans fought to stave off the inevitable It was essential that the Germans held the west bank in order to protect the Rhine crossings at Cologne Bonn Koblenz and Remagen but Hitler was intent on counter attacking in the Ardennes in the winter of 1944 and this meant there was little left to bolster the defences of the Rhine Rhineland relates the course of this desperate defence describing the build up of forces and operational plans before going on to tell the story of the campaign from the point of view of the forces involved from the ordinary German soldier through to the high command

Arn's War Edward C. Arn, 2006 Arn writes in a straightforward and engaging manner that avoids false sentimentality or romanticism Instead he gives readers keen insights into the daily life of soldiers locked in gruesome events far beyond their experience and describes how it feels to be under fire to suffer a wound to agonize over the deaths of friends to endure true suffering to sacrifice and to survive Edited and annotated by Jerome Mushkat this memoir is an account of a citizen soldier who survived his baptism by fire during World War II
