Craig, Gráinne de Búrca, 2008 Written by two prominent experts in the field the fourth edition of the market leading EU Law Text Cases and Materials offers the reader an authoritative and comprehensive guide to the main fields of EU Law both institutional and substantive Through the distinctive mix of 50% text and 50% cases and materials the fully revised and updated fourth edition addresses the significant recent developments in EU legislation including four new chapters on topics of central importance The new enlarged format includes a two colour text design which easily distinguishes between author commentary and cases and materials Craig and de Burca s EU Law Text Cases and Materials is the bestselling EU Law textbook recommended by many institutions as a core text for LLB courses and trusted by thousands of students to provide an authoritative commentary on EU Law Accompanied by an Online Resource Centre containing an interactive map of Europe with hot spots on all EU member states providing factual information on each member country interactive timeline tracking key dates in EU legal history

European Union Law Damian Chalmers, Gareth

Davies, Giorgio Monti, 2010-06-24 This eagerly awaited new edition has been significantly revised after extensive user feedback to meet current teaching requirements The first major textbook to be published since the rejuvenation of the Lisbon Treaty it retains the best elements of the first edition the engaging easily understandable writing style extracts from a variety of sources showing the creation interpretation and application of the law and comprehensive coverage In addition it has separate chapters on EU law in national courts governance and external relations reflecting the new directions in which the field is moving The examination of the free movement of goods and competition law has been restructured Chapter introductions clearly set out what will be covered in each section allowing students to approach complex material with confidence and detailed further reading sections encourage further study Put simply it is required reading for all serious students of EU law European Standardisation of Services and its Impact on Private Law Barend Van Leeuwen, 2017-02-23

With the New Approach the EU has incorporated European standardisation in its regulatory approach to improve the free movement of goods Such a New Approach does not exist for services Nevertheless a significant number of European services standards have been made This book focuses on European standardisation of services and its impact on private law Two services sectors are analysed the healthcare sector and the tourism sector The core chapters of the book contain a number of case studies based on empirical research in these sectors The first part discusses how European services standards interact with existing legal regulation at the European and national level It is shown that at the European level there is no clear legal framework in which European services standards are adopted This has an impact on their application in private law which is the main theme of the second part of the book Moreover there is a real risk that European services standards create obstacles to free movement This will prevent their successful application in private law **Revisiting the Fundamentals**

of the Free Movement of Persons in EU Law Niamh Nic Shuibhne, 2023 How free is the free movement of persons This collection of essays reconsiders the fundamentals of EU free movement law Through different examples posted workers social security Brexit and Union citizenship each chapter revisits the categories and the resulting boundaries that have become entrenched in these laws Research Handbook on General Principles in EU Law Ziegler, Katja S., Neuvonen, Päivi J., Moreno-Lax, Violeta, 2022-04-22

This Research Handbook offers a comprehensive study of existing and emerging general principles of EU law by scholars from a wide range of expertise in EU law international law legal theory and different areas of substantive law It explores the theory content role and function of general principles in EU law to better understand general principles as a mechanism for the substantive openness of the EU legal order as well as for cross fertilization and coherence of legal orders Their potential as a tool to manage the interaction of legal regimes and orders is a particular focal point and will make this Handbook a must read for scholars of EU Law **EU Law** Paul|Burca Craig (Grainne de), 2024

EU Law Paul Craig, Gráinne De Búrca, 2015 This work provides a clear and insightful analysis of European law accompanied by carefully chosen extracts from a range of materials **Market Integration and Public Services in the**
