**Too Big for Small Things, Too Small for Big Things** Pauline Kange, 2024-05-28 This book has great depth yet is written in language that is easy to understand We have all heard of people who because of their giftedness rose to great heights only to have a catastrophic fall later because of seemingly one mistake The truth that the Author illuminates is that it is not merely one error in judgment that sinks the boat but a pervasive lack of honor in one's life in conduct and decision making that brings a person down TOO BIG FOR SMALL THINGS TOO SMALL FOR BIG THINGS is a comprehensive self help manual comprised of a step by step principle a system geared towards climbing the ladder of success and staying there The narrative is success leaves clues footprints or a roadmap that tells a story of service honor and protocol and this go to guide will highlight just that Meaning and purpose will be added to life when challenged to serve intentionally The voice of service will be recognizable to you as it continually leads you to new realms of promotion Motives will be uncovered as you learn to serve in full transparency without a hidden agenda You will be challenged in your perspective shifted in your paradigm and propelled into your destiny as you navigate through these chapters May you grow in the grace of a servant leader

**Mirrors of Self** Jonathan P. Badgett, 2021-10-14 Orthodox Christology maintains that Jesus Christ is both truly God and truly human As such he is the key to knowing both God and self In a series of applications of christological anthropology Mirrors of Self develops this epistemic premise in dialogue with a diversity of Christian and secular historical and modern perspectives Aspects of human personhood including the ever elusive self gain greater clarity and significance in the light of Christ's person and work At the center of individual human subjectivity we encounter a broken sin blinded self in need of renewal and release What healing we find comes to us as Christ's ecological presence works in and through others the mirrors of self whose instrumental agency Christ employs in service to his own redemptive ends

**Becoming God's Faithful Armor Bearer** Patty Handly, 2016-02-26 Becoming God's Faithful Armor Bearer is a must read for every believer of Jesus Christ It is a wonderful tool for the church to use in training up leaders to understand what it means to truly serve God It is a triumphant work delivered from a heart of brokenness and faith in the promises of God This book not only has the potential of changing your perspective on serving it also has the greater potential of changing your life and the way you live out each day

*When Christ's Body Is Broken* Leanna K. Fuller, 2016-03-03 When Christ's Body Is Broken tells the stories of two congregations in conflict Although these churches had very different problems they faced similar struggles to articulate a faithful response to their concerns and to cope with

the discord that threatened to tear their communities apart Pastoral theologian Leanna K Fuller shares these stories as a way of exploring the sources and dynamics of conflict in congregations She argues that at the heart of such conflict lies anxiety triggered by encounters with difference Bringing together resources from pastoral theology psychodynamic theory and social psychology Fuller offers a theological reframing of conflict through categories of diversity vulnerability and hospitality categories that she argues can encourage human beings to sit with the anxiety stirred by communal life and remain connected across differences This reframing provides fertile ground out of which Fuller imagines concrete practices designed for conflicted communities and their leaders

**The Pastorals** Gerald Woodruff, 2016-10-12 The Pastorals are what I call letters written to Pastors Pastor of course is a term for the office of Pastor This office is turn readily recognizable by term of shepherd in the Old Testament The letters are of course advice on what to do in the church It is more What should the church expect of the Pastor How do they measure his qualification or his performance What is in store for the church The Pastorals give these answers The Pastorals includes Philemon along with I Timothy and II Timothy Philemon is considered a Pastor and had a church in his home

*Never Give Up* Michael Youssef, 2022-03-01 What if the answers to our modern crises are found in ancient truths This book will give you the hope and courage you need to stay firm in your faith despite the circumstances going on around you You will keep your devotion to God and boldly share your faith The truth of the gospel is in great danger Biblical beliefs are being attacked Biblical morality is being assaulted Christians are being insulted for holding to the ancient truths found in the Scriptures We are in a fight to be heard and not canceled to share our faith amidst the cancel culture What is God's message to us this day What does He want from us in these troubled times Resilience Courage Faithfulness His call to us is to never give up Never give up on the infallible Word of God Never give up on the faith once delivered In his last letter the aged and imprisoned apostle Paul realized that his final days were approaching So he wrote his last legacy message for his beloved Timothy and for future generations of disciples namely you and me In *Never Give Up* Dr Michael Youssef echoes the words of the apostle Paul so that we may experience encouragement and know triumph in the midst of defeat With a sense of urgency we are called to the steadfast service of a certain conviction Despite hardship and suffering we can learn to be unwavering in our devotion As followers of Jesus too often we are tempted to throw in the towel give up the fight and give in to fear But we must not let that be our reality We have not been abandoned God is here Yet conviction is needed and service is required No matter what comes our way we must never give up
