Is the Future Set in Stone? Troy J. Edwards,2019-05-15 God knows all things and there is nothing that is hidden from Him Therefore if the future is already in existence and is a settled reality then there is no doubt that God knows it exhaustively Yet what if the future does not exist as the past did and the present currently does Is it necessary for an omniscient God to have exhaustive knowledge of a non existent entity In his book Is the Future Set in Stone Pastor Troy J Edwards presents a thorough examination of the Scriptures revealing the fact that the future is NOT in existence until it happens This truth is important to understanding why God is by no means responsible for the fall of devils men and the horrendous evil on the earth You will also see how God works with His free will creatures to shape the future and bring it about
