Setting Up and Financing WFOEs in the PRC, 1997      The China Management Handbook F. Sieren, E. Boos, 2016-01-08  
With China's accession to the WTO in Spring 2002 it is essential that Western investors and business people get an effective tool kit which enables them to succeed in the highly competitive Chinese market and to deal with the issues and changes that the WTO will bring. As a guide for western investors this book gives the answer to the 100 most crucial questions on operating or restructuring business in China. The question and answer format allows the reader to rapidly select information for a specific situation.

Doing Business In China Michael J. Moser, Fu Yu, 2014-04-01. Doing Business in China provides over 3 000 pages of extensive and comprehensive analysis on Chinese business and commercial law and practice. This work is the most thorough reference and guide to all major areas of business law and investment in the People's Republic of China and offers a wide ranging analysis and commentary on Chinese business laws. For over thirty years Doing Business in China has been one of the premier sources of practical information and analysis on issues affecting foreign investment in China. This multi volume treatise captures the collective experiences and knowledge of prominent practitioners and business and legal experts with respect to the essential areas of PRC investment and commercial law. Designed for those who are either planning to invest in China or who already have an established presence, Doing Business in China provides a detailed examination of all relevant legislation and practice in China that affects business and investment. It also closely examines key issues and potential pitfalls involved in all areas of business and investment.

**Setting Up and Financing WFOEs in the PRC** Paul Vout, David Kay, 1998      Setting Up Wholly Foreign Owned Enterprises in China Chris Devonshire-Ellis, Andy Scott, Sam Woollard, 2011-07-09. Do you want to manufacture or trade in China? If you are looking at investing in a China manufacturing or service operation in China then this book is for you. This Guide is a practical overview for the international businessman to understand the rules, regulations and management issues regarding establishing wholly foreign owned enterprises in China. We will help you to understand the implications of what can initially appear to be a complicated and contradictory subject. This book tells you the basics of what you need to know and points you at the structures you should use as well as some of the pitfalls. This book is the second in our new series of books on doing business in China which will progressively cover such topics as setting up joint ventures, tax, IP and many other vital issues for foreign investors in this exciting market.

Law and Practice of Debt Finance in Modern China Xin Zhang, 2021-10-23. This book provides updated full picture analysis of the laws and practices of cross border debt finance in the PRC. It is featured by the first hand experiences of the author's academic research and legal practice in this field over two decades. The author discusses legal and regulatory issues, transaction structures and documentation in relation to two debt finance products: loan and bond covering the inbound structure (Chinese debtors raising funds from the international market) and the outbound structure (Chinese creditors supplying funds to the international market). For cross border loans this book thoroughly illustrates the

foreign debt regulatory regime in the PRC and approaches the lending by Chinese banks to support exports and overseas investments under the Belt and Road Initiative BRI For cross border bonds it discusses how Chinese issuers by designing various transaction structures enter into the international bond market and then researches the opening up of Chinese bond market to both international issuers for issuing Panda Bonds and investors for purchasing Chinese bonds This book is used as an authoritative source for not only students and researchers but also bankers and legal practitioners who are interested in the Chinese debt finance market **China Law Deskbook** James M.
