The Moral Premise Stanley D. Williams, 2006 The Moral Premise Harnessing Virtue and Vice for Box Office Success reveals the foundational concept at the heart of all successful box office movies and other stories It is a principle that has been passed down from ancient times It is a principle that modern research has shown is in all great stories that connect with audiences If you ignore this principle your story is doomed But if you consistently apply it to each character scene and dramatic beat it is the principle that will empower your storytelling and illuminate all the other techniques you bring to the craft It is the guiding principle of writing that allows films and all stories to be great
