

The background of the slide is a reproduction of the painting 'Prometheus Bound' by the French sculptor John James Audouin. It depicts the Titan Prometheus, who was punished for stealing fire from the gods, bound to a rock by an eagle. The figure is shown in a dramatic, contorted pose, with his head thrown back and his body twisted. The lighting is dramatic, highlighting the figure against a dark background.

## **Seven Against Thebes And Prometheus Bound:**

*Seven Against Thebes* Aeschylus, 1965      *Prometheus Bound and Seven Against Thebes* Aeschylus, 2010-12-20

Prometheus Bound and Seven Against Thebes Prometheus Bound is an Ancient Greek tragedy In Antiquity this drama was attributed to Aeschylus but is now considered by some scholars to be the work of another hand perhaps one as late as ca 415 BC Despite these doubts of authorship the play's designation as Aeschylean has remained conventional The tragedy is based on the myth of Prometheus a Titan who was punished by the god Zeus for giving fire to mankind Seven Against Thebes is the third play in an Oedipus themed trilogy produced by Aeschylus in 467 BC The trilogy is sometimes referred to as the Oedipodea It concerns the battle between an Argive army led by Polynices and the army of Thebes led by Eteocles and his supporters The trilogy won the first prize at the City Dionysia Its first two plays *Laius* and *Oedipus* as well as the satyr play *Sphinx* are no longer extant      [Aeschylus' Prometheus Bound and the Seven Against Thebes](#) Aeschylus, 2018-07-07

Aeschylus *Prometheus Bound and the Seven Against Thebes* by Aeschylus INTRODUCTION schylus the first of the great Grecian writers of tragedy was born at Eleusis in 525 B C He was the son of Euphorion who was probably a wealthy owner of rich vineyards The poet's early employment was to watch the grapes and protect them from the ravages of men and other animals and it is said that this occupation led to the development of his dramatic genius It is more easy to believe that it was responsible for the development of certain other less admirable qualities of the poet His first appearance as a tragic writer was in 499 B C and in 484 B C he won a prize in the tragic contests He took part in the battle of Marathon in 490 B C and also fought in the battle of Salamis in 480 B C He visited Sicily twice and probably spent some time in that country as the use of many Sicilian words in his later plays would indicate There is a curious story related as to his death which took place at Gela in 456 B C It is said that an eagle mistaking his bald head for a stone dropped a tortoise upon it in order to break its shell and that the blow quite killed schylus Too much reliance should not be placed upon this story We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

**Prometheus Bound and the Seven Against Thebes** Aeschylus, Theodore Alois Buckley, 2013-01-22 *Prometheus Bound* is the first and only surviving play in a trilogy of tragedies called the *Prometheia* by Aeschylus featuring the Titan Prometheus who is bound to a rock as punishment by Zeus for providing the knowledge of fire to humans The other two plays

from the trilogy unfortunately only survive in fragments and are Prometheus Unbound and Prometheus the Fire Bringer The Seven against Thebes is the third play in an Oedipus themed trilogy produced by Aeschylus in 467 BC The trilogy is sometimes referred to as the Oedipodea It concerns the battle between an Argive army led by Polynices and the army of Thebes led by Eteocles and his supporters The trilogy won the first prize at the City Dionysia Its first two plays Laius and Oedipus as well as the satyr play Sphinx are no longer extant Aeschylus circa 525 BC 455 BC was the first of the three ancient Greek tragedians whose plays can still be read or performed the others being Sophocles and Euripides He is often described as the father of tragedy our knowledge of the genre begins with his work and our understanding of earlier tragedies is largely based on inferences from his surviving plays According to Aristotle he expanded the number of characters in plays to allow for conflict amongst them whereas previously characters had interacted only with the chorus Only seven of his estimated seventy to ninety plays have survived into modern times

**The Persians and Other Plays**

Aeschylus, 2009-11-26 Aeschylus 525 456 BC brought a new grandeur and epic sweep to the drama of classical Athens raising it to the status of high art The Persians the only Greek tragedy to deal with events from recent Athenian history depicts the final defeat of Persia in the battle of Salamis through the eyes of the Persian court of King Xerxes becoming a tragic lesson in tyranny In Prometheus Bound the defiant Titan Prometheus is brutally punished by Zeus for daring to improve the state of wretchedness and servitude in which mankind is kept Seven Against Thebes shows the inexorable downfall of the last members of the cursed family of Oedipus while The Suppliants relates the pursuit of the fifty daughters of Danaus by the fifty sons of Aegyptus and their final rescue by a heroic king

Prometheus bound and the Seven against Thebes Theodore Alois Buckley, 2019-09-25 Reproduction of the original Prometheus bound and the Seven against Thebes by Theodore Alois Buckley
