Seven Hindrances To Healing:

Seven Hindrances to Healing Kenneth Hagin,1980-07 This minibook discusses seven principal hindrances that keep people from receiving healing *Spirit Cure* Joseph W. Williams,2013-02-14 Joseph W Williams examines the changing healing practices of pentecostals in the United States over the past 100 years from the early believers to the later generations of pentecostals and their charismatic successors **Seven Steps for Judging Prophecy** Kenneth E.

Hagin,1982 In *Seven Steps for Judging Prophecy* discover how a Christian even a new believer can learn to sort out the few genuine prophets of God from the many false and judge their prophecies in the light of the Word of God *Prosperity Gospel Latinos and Their American Dream* Tony Tian-Ren Lin,2020-07-21 In this immersive ethnography Tony Tian Ren Lin explores the reasons that Latin American immigrants across the United States are increasingly drawn to Prosperity Gospel Pentecostalism a strand of Protestantism gaining popularity around the world Lin contends that Latinos embrace Prosperity Gospel which teaches that believers may achieve both divine salvation and worldly success because it helps them account for the contradictions of their lives as immigrants Weaving together his informants firsthand accounts of their religious experiences and everyday lives Lin offers poignant insight into how they see their faith transforming them both as individuals and as communities The theology fuses salvation with material goods so that as these immigrants pursue spiritual rewards they are also perhaps paradoxically striving for the American dream But after all Lin observes prosperity is the gospel of the American dream In this way while becoming better Prosperity Gospel Pentecostals they are also adopting traditional white American norms Yet this is not a story of smooth assimilation as most of these immigrants must deal with the immensity of the broader cultural and political resistance to their actually becoming Americans Rather Prosperity Gospel Pentecostalism gives Latinos the logic and understanding of themselves as those who belong in this country yet remain perpetual outsiders

The Facts on the Faith Movement John Ankerberg,John Weldon,2011-04-22 The growing much publicized Faith Movement has captured literally millions of Christians with its seductive claims Christians are offered health wealth and prosperity if they say the right things and have the right frame of mind but is it biblical Authors answer key questions about the Movement its leaders What are the basic teachings of the Faith Movement How powerful is the Faith Movement why has it been so successful What characteristics of the Faith Movement concern people Do the Faith teachers misinterpret Scripture This book carefully separates fact from fiction regarding the Faith Movement s disturbing presence in Christianity
