Rules for Spiritual Initiation Zachary Lansdowne, 1990-05-01 Zachary Lansdowne author of earlier books on the Ageless Wisdom reveals the esoteric significance of fourteen symbolic rules that were originally published by Alice A Bailey He shows that the symbols in each rule have both an outer and inner meaning The outer meaning describes an objective in character building and the inner meaning describes a stage in the process of meditation The initial sequence of seven rules provides elementary instructions for the path of probation leading to the first spiritual initiation and the next sequence provides advanced instructions for the path of discipleship leading to the second and third initiations Lansdowne also discusses the close relationship between these rules and the typology of the seven rays The end result is an easy to understand guidebook to the various stages of the spiritual path

Within The Portal Scott A Spackey, 2023-06-12 Krishnanand catapulted to the other side when he was hit in the face by a full size SUV While he remained in a Stage 3 Glasgow coma for nine days he remained fully conscious in a celestial dimension he now calls The Portal what Tibetan Buddhists call The Bardo and what Vedic Sanskrit philosophy calls The Akashic Records He awoke without an identity having no recall of his name his partner of 11 years or his 20 year old son Krishnanand's traumatic brain injury and near death experience persisted for over nine years The only thing that sustained him was his ability to connect at will to The Portal dimension where he receives guidance from akashic agents angels of destiny Readers will viscerally travel to the other side with him and learn how his lifelong commitment to spiritual studies and practices enhanced his NDE with unprecedented insights This groundbreaking memoir fuses this world's most ancient and authentic spiritual paths with a contemporary understanding It is a portal to spiritual

the cosmic a time in which even the counting of days and months into years was a mystery of divine proportions The calendar of ancient Egypt is older than astrology The Egyptian calendar itself is almost forgotten yet it is the direct ancestor of the Western calendar in use today The ancient Egyptians were keenly focused on the concept of life as a journey through time and the calendar was their map In Walk Like An Egyptian you will find one of the world s oldest guides to self navigation in an easy to use format a daily horoscope from the dawn of history Each season month and day is listed with its ancient name together with the warnings and requirements stories and scenarios of the gods involved in the story of the year The day is divided into eight hour segments of morning afternoon and night Sacred ceremonies and ritual feasts are also listed making the calendar a complete guide to the Egyptian year a horoscope unlike any other available in the modern world The earlier editions of Walk Like An Egyptian brought the concepts of ancient Egyptian religion and philosophy into the context of the modern world Readers around the globe found the once obscure ideas of ancient wisdom interpreted as profound contemplations of the reality of human nature Many familiar names in the ancient pantheon were revealed in modern terms such as Osiris the divine and immortal portion of each human s soul clothed in mortal flesh Re the divine light of consciousness in the mind Horus who is the paradox of the universal nature of each soul s unique identity Isis bonding force of the soul Thoth representing the power of human thought and intellect and more The success of Walk Like An Egyptian led to Wheeler s collaboration with Diana Janeen Pierce who had assembled a daily calendar of ancient Egyptian ceremonies rituals and festivals Wheeler and Pierce worked together on a translation of the lengthy and difficult Cairo Calendar Papyri one of the few surviving documents detailing the system by which Egyptians organized their daily lives Wheeler s accompanying interpretation of the Egyptian cosmos makes a lively counterpart to the horoscope clarifying the often confusing material Together Wheeler and Pierce provide a modern evaluation of how to walk like an Egyptian attuned to eternity in your daily life and guided by eternal principles
