Atkinson,2009-10 This book Proof from the Light and Darkness intends to prove many divine truths to many people Many will accept it as proof while many will not The following are seven of such truths this book will prove 1 God is a living eternal and a superior being 2 The soul is a living and unique pattern of energy created by God and should not be confused with the spirit 3 God is a union of two entities which were the first souls to exist male and female therefore God can be him or her 4 God comes to Earth periodically as Christ incarnate in the body of a man and a woman 5 Jesus of Nazareth and Mary of Bethany the Magdalene were the Christ s two thousand years ago 6 Spencer John Atkinson and Pamela Theresa Atkinson are the new names and bodies of the same Christ Jesus and Mary Magdalene 7 Heaven is a real and eternally joyful place in another dimension of space These seven topics and more is a result or a chain reaction from the main proof God has given me proof that I am the

incarnate soul of Jesus of Nazareth and my wife and I are the Christ Have no fear this book is not just another book on religion however in order to prove Jesus soul is back incarnate the King James Bible must be used not for its Christian theology or religious teachings instead for its Divine Arrangements blueprint map of predictions or prophecies concerning the return of Jesus Christ It s time to stop the confusion caused by so many different beliefs by adding common sense logic and deductive reasoning leading to proof that might be realized by all faiths **100 Things to See in the Night Sky, Expanded Edition** Dean Regas,2020-06-16 Discover the amazing wonders of the night sky with this expanded edition to 100 Things to See in the Night Sky perfect for every amateur stargazer and armchair astronomer Keep your feet on the ground and experience the night sky to the fullest by exploring planets satellites and constellations with this all inclusive reference guide to space 100 Things to See in the Night Sky Expanded Edition is full of information on the many amazing things you can see with a telescope or just your naked eye From shooting stars to constellations and planets to satellites this book gives you a clear picture of what you can see on any given night Learn about the celestial bodies that have captured people s imaginations for centuries with specific facts alongside traditional myths and beautifully illustrated photographs and star charts that will help you know where to look for the best view With this illuminating guide you ll enjoy hours of stargazing whether you re travelling camping sitting in your back yard or simply flipping through the beautiful images in this book

Iroquoian Women Barbara Alice Mann,2000 Iroquoian Women The Gantowisas provides a thorough organized look at the social political economic and religious roles of women among the Iroquois explaining their fit with the larger culture Gantowisas means more than simply woman gantowisas is woman acting in her official capacity as fire keeping woman faith keeping woman gift giving woman leader counselor judge Mother of the People This is the light in which the reader will find her in Iroquoian Women Barbara Alice Mann draws upon worthy sources be they early or modern oral or written to present a Native American point of view that insists upon accuracy not only in raw reporting but also in analysis Iroquoian Women is the first book length study to regard Iroquoian women as central and indispensable to Iroquoian studies *The Starspotter's Guide* Sheila Kanani,2025-09-11 It was a story about space Apollo 13 which first hooked Sheila Kanani and now decades later after achieving a PhD in Saturn s magnetosphere and working as an outreach officer for the Royal Astronomical Society she has made a career of weaving together the science and tales of the stars In The Starspotter s Guide her first book for adults Sheila pulls together the rich tapestry of the night sky for the armchair stargazer sharing the stories that cultures across the world have told about the stars for millennia and how these have shaped our exploration and understanding of the Earth from astrologers in ancient India using the stars to calculate the length of the year to Polynesian explorers using them to navigate far beyond their homes And now as our knowledge expands about the endless expanse above us such as what the stars actually are Sheila takes us on a journey through what you d see if you could jump on a spacecraft and explore these galaxies yourself In this endlessly informative and persuasively interesting miscellany of the night sky Dr Sheila Kanani takes us on a

journey through the cosmos and through the human experience of the stars throughout the ages that will have you rushing outside and looking up searching for the curve of the Milky Way The Definitive Book on the Afterlife Patricia Hayes, 2020-12-03 This extraordinary book includes a broad spectrum of information that is focused into an easy to understand single best source on the Afterlife Death cannot separate us Unlike all other books on this topic The Definitive Book of the Afterlife introduces an astonishing new way of looking at the Afterlife It is very different and profound a true documentary that shares in depth information and detailed experiences of dying death transition and existence in the Afterlife actual experiences In the very early stages of writing The Definitive Book on the Afterlife Marshall Smith unexpectedly passed away through a tragic accident However he continued to contribute to the book by sharing his personal experiences of dying death and the Afterlife Patricia Hayes highly experienced in communicating with those in the Afterlife and having shared this process with Marshall for three decades documented over a hundred communications with Marshall who now in the Afterlife provided detailed information that greatly influenced the content and direction of this book The information about the Afterlife conveyed in this book comes from Patricia Hayes decades of first hand experience with helping others to cross over and with her frequent communication not only with her husband but also with her brother Fred She shares intimate details of Marshall s dying including his moment of death transition and acclimation to the Afterlife intimate details that are made possible through their deep love and dedication to their personal and working relationship Using Marshall s observations and understanding of his existence in the Afterlife Patricia draws comparisons between the physical levels of consciousness and the levels of consciousness in the Afterlife so that you will know what to expect and how to function Practical and easy to understand you discover what the transition process is like how the Earth and Afterlife are intertwined how to determine your place in the Afterlife and most important how to communicate with your loved ones who are in the Afterlife while you are still here on Earth The Definitive Book on the Afterlife transcends religious views of dying to share first hand direct experience with the process of dying and death as well as the realities of being in the Afterlife One thing is for sure you will never look at dying and death the same way again Inspirational transformative comforting reassuring it is a must read **Boys' and Girls' Bookshelf: Book of wonders and curious things** ,1912
