Dr. Larry A. Brookins, 2010-08-23 Inside the pages of this book Rev Dr Larry A Brookins examines three significant contexts from the

Bible that bring to the forefront how God views sin and disobedience whether outside the church among the peoples of the world or within the church among the congregations of the saints It also highlights the heart of the God of both Old and New Testaments as it relates to the life that is lived in submission and conformity to the Will of God In Seven Things that God Hates Seven Letters to Seven Churches and Let Go of Your Neighbor's Throat no camouflage is presented Jesus said ye shall know the truth and the truth shall make you free John 8:32 The God Who is Love has word against the transgressor of His commandments The goal is not condemnation but correction see II Timothy 3:16 The objective of divine admonition is forever repentance see II Peter 3:9 More than anything else God desires to bless but He will curse More than anything else the gates of Heaven invite all but what of the reality of Hell The love of God is unconditional and embraces every sinner with an invitation to salvation regardless of individual sin But don't misinterpret divine love for acceptance of a lifestyle that displeases God and or for absolute salvation without the condition of faith and obedience Jesus died for all but not all will enjoy the fruit of His sacrifice The Invisible World and the Visible World Sukoun Choe,2015-10-29 We have been living according to the legacy formed by our old ancestor for long era but as we know many our customs and ways to live had specificity of selfish thought More over a greed to live long only belonging to the human being have made mistake to understand natural law by the identity of God which was built up as they want Now truly we have to criticize our civilization have been made for thousands years by ourselves with the wisdom of modern and critical rationalism Our science become developed enough to understand the origin of cosmos materials and lives but we have lived with the mind of state hanging to the thought of decades centuries ago We have live with fixed thought that God is never changing being But if we agree God is the another name of natural itself though its identity is not changed with the point of one of its identity is alternation and so we have to get new idea of our changing will be most adaptable to God With this book you can meet new idea of new Gods identity which is in your heart through cosmos so you can understand you are the most important existence in this cosmos
