Pink, Rev Terry Kulakowski, 2016-09-27 THE DEATH OF THE LORD JESUS CHRIST is a subject of never failing interest to all who study prayerfully the scripture of truth This is so not only because the believer s all both for time and eternity depends upon it but also because of its transcendent uniqueness Four words appear to sum up the salient features of this mystery of mysteries the death of Christ was natural unnatural preternatural and supernatural The death of Christ was natural By this we mean that it was a real death It is because we are so familiar with the fact of it that the above statement appears simple and commonplace yet what we here touch upon is to the spiritual mind one of the main elements of wonderment The one who was taken and by wicked hands crucified and slain was none other than Jehovah s Fellow The blood that was shed on the accursed tree was divine The church of God which he purchased with his own blood *The Seven Sayings of Our Saviour on the Cross* Francois Petrus Viljoen, 2000 **Cries from the Cross** Erwin W.
