Seven Winters:

Seasons of the Heart Yolanda G. Guerra, 2017-03-16 What do you get when you put together a sensitive woman with a gift for reading and understanding people a dash of love and loss a fascination with and appreciation for nature and a gift for capturing it all in words You have this book of almost three hundred poems spanning over sixty years in a remarkable womans life *Atmospheric Water Balance of the Upper Colorado River Basin* J. L. Rasmussen, 1971 Loving Arms Karen Schneider, 2021-09-15 Loving Arms examines the war related writings of five British women whose works explore the connections among gender war and story telling While not the first study to relate the subjects of gender and war it is the first within a growing body of criticism to focus specifically on British culture during and after World War II Evoking the famous St Crispin s Day speech from Henry V and then her own father s account of being moved to tears on V J Day because he had been too young to fight Karen Schneider posits that the war story has a far reaching potency She admits perhaps for all of us that such stories had powerfully shaped my consciousness in ways I could not completely resist How a story is narrated and by whom are matters of no small importance As widely defined and accepted war stories are men s stories If we are to hear an other story of war then we must listen to the stories women tell Many of the war stories written by women insist that war is not the condition of men but rather the condition of humanity beginning with relations between the sexes For the five women whose work is examined in Loving Arms Stevie Smith Katharine Burdekin Virginia Woolf Elizabeth Bowen and Doris Lessing this latter point was particularly relevant Their positions as women within a patriarchal militarist culture that was externally threatened by an overtly fascist one led to an acute ambivalence says Schneider Though all five women perceived the war from substantially different perspectives each in her own way exposed and critiqued the seductive power of war and war stories with their densely interwoven tropes of masculinity and nationalism Yet these writers conflicting impulses of loyalty to England and resistance to the war betray their ambivalence Loving Arms will interest students of twentieth century British literature and culture gender studies and narratology Even today we maintain an unabated love affair with the war story But unless we listen to what the women had to say fifty years ago we are doomed to hear only the same old story *The Anglo-Saxon Chronicle* Bob Carruthers, 2013-03-18 The essential primary source history of the British Isles through the early Middle Ages fully annotated and illustrated with paintings and engravings The Anglo Saxon Chronicle is one of the most important sets of historical documents concerning the history of the British Isles These vital accounts thought to be first set down in the late ninth century by a scribe in Wessex illuminate events through the Dark Ages that would otherwise be lost to history Without this chronicle it would be impossible to write the history of the English from the Romans to the Norman Conquest The compilers of this chronicle included contemporary events they themselves witnessed as well as those recorded by earlier annalists whose work is in many cases preserved nowhere else With nine known versions of the Chronicle in existence this translated edition presents a conflation of passages from different versions Relying heavily on

Rev James Ingram s 1828 translation the footnotes provided are all those of Rev Ingram This edition also includes the complete Parker Manuscript **The Anglo-Saxon Chronicle** Anonymous,2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Salmon Fisheries Great Britain. Scottish Home Department,1928 Monthly Weather Review ,1914 The Lost Mayan Eagle Feather,2021-01-05 A Mayan woman a Lakota warrior two tortured souls traversing the evil world of the flesh both lost and alone Harsh fate brought them together the dark lust of man trying to tear them apart In a race of survival this Lakota warrior must lead the Mayan stranger and his small band of fighters across the Great Plains to safety or suffer a horrific fate at the hands of a malicious enemy
