

and Daniel Scevola, published by P. O. Kristeller in 1971, 1955 and 1958 respectively; and one from another new correspondent, Aonio Paleario, published by Seidel Menchi in 1974. The spread of the manuscripts' location – Basel, Aarau, Strasbourg, Cologne, Florence, Padua – recalls the extent of what Mrs Allen used to call 'our travels'. In several cases Hartmann's dating is preferred to Allen's, in one his punctuation. Occasionally the editor proposes a punctuation, reading or date of his own in place of Allen's. In 1947, the date of tom. xi of the *Opus*, Allen had been dead for fourteen years, and the ingenuity of an emendation like *meo dic* for *Medico* (2940. 16), which fails to convince M. Gerlo, or the length of a note on Latin words ending in -ax (3019.33), here sensibly abbreviated, is more in Garrod's manner than in Allen's. There are some additional notes of interest, such as those on the brief prayers known as *ejaculationes* (2995 A, n.1) and on the 'vous de politesse' used by Bernard of Cles, bishop of Trent, whereas Peter Tomiczki, bishop of Cracow, uses the first person plural of himself. Misprints are few; two that might mislead are 1884 for 1844 (3131 intr.) and Baldus for Bladus (3015 intr.). The editor is to be congratulated that an enterprise taking twenty years has been carried to a conclusion. The index to the *Opus* was not only late but, though of use, unworthy of it. Since the enumeration of letters in this translation is the same as in the *Opus*, its own index, if with reference to Letters (not to volume and page), will be doubly valuable.

BOURNVILLE

GEOFFREY F. NUTTALL

Seventeenth-Century Britain 1603–1714. By J. S. Morrill. (Critical Bibliographies in Modern History, 2.) Pp. 189. Folkestone: Dawson/Connecticut: Archon Books, The Shoe String Press, 1980. £11.

If Charles V could express disbelief that the Luther who appeared at Worms could have written so much so soon, the reviewer of this critical bibliography may wonder that even such an indefatigable historian as Dr Morrill could have read so comprehensively in the recent literature devoted to this most extensively researched of British centuries. After much weeding out he still comments on almost 900 books and not far short of 500 articles. The ecclesiastical historian is in for a second surprise when he comes across the pronouncement that in spite of such excess (115 books and 76 articles in his field of interest) our knowledge of the religious experience and belief of the people of England for the periods 1603–40 and 1622–1714 remains 'sketchy'. But Dr Morrill is right in this judgement. And he is equally reliable in particulars. In a very short review one is obliged to adopt the method of the West End theatre manager in using the critics to advertise his wares. Christopher Hill's *Economic Problems of the Church* is 'one of Hill's best books', Lamont's *Godly Rule* 'pithy', White's *English Separatist Tradition* 'crisp, clear', Nuttall's *Visible Saints* 'challenging and shrewd', Bossy's *English Catholic Community* 'one of the most exciting books of the decade', G. V. Bennett on Atterbury 'brilliant'. These bouquets are well deserved. But Dr Morrill's technique is to find many a book brilliant, or arresting, but flawed. Most memorably, he describes Lawrence Stone's *Family, Sex and Marriage in England* as 'immensely suggestive and imaginative' while containing 'some of the worst distortions of evidence, some of the most banal statements ever committed to paper by a professor of history'. Like Everyman, the student of seventeenth-century ecclesiastical history may safely invite Dr Morrill to go with him and be his guide.

G.R. Elton

Seventeenth Century Britain 1603 1714 Critical Bibliographies In Modern History:

Seventeenth Century Britain, 1603-1714 John Stephen Morrill, 1980 *The Routledge Companion to the Stuart Age, 1603-1714* John Wroughton, 2013-02-01 Here is an invaluable user friendly and compact compendium packed with facts and figures on the seventeenth century one of the most tumultuous and complex periods in British history From James I to Queen Anne this Companion includes detailed information on political religious and cultural developments as well as military activity foreign affairs and colonial expansion Chronologies biographies documents maps and genealogies and an extensive bibliography navigate the reader through this fascinating and formative epoch as the book details the key events and themes of the era including the English Civil War and its military campaigns the Gunpowder Plot Catholic persecution and the influence of Puritanism imperial adventures in America Asia Africa and the Caribbean Scotland and the Act of Union 1707 the Irish Confederate wars and the Cromwellian conquest of Ireland the Great Fire of 1666 and the rebuilding of London biographies of key figures including women artists architects writers and scientists the Restoration and the revival of drama With complete lists of offices of state an extensive glossary of key constitutional political and religious terminology and up to date thematic annotated bibliographies to aid further research this student friendly reference guide is essential for all those interested in the Stuart Age Revolutionary England, 1642-1702: Oxford Bibliographies Online Research Guide Oxford University Press, 2010-06-01 This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related This ebook is a static version of an article from Oxford Bibliographies Online Renaissance and Reformation a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of European history and culture between the 14th and 17th centuries Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com **England, 1485-1642: Oxford Bibliographies Online Research Guide** Oxford University Press, 2010-06-01 This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related This ebook is a static version of an article from Oxford Bibliographies Online Renaissance and Reformation a dynamic continuously updated online resource

designed to provide authoritative guidance through scholarship and other materials relevant to the study of European history and culture between the 14th and 17th centuries Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com Modern Historians on British History 1485-1945 (Routledge Revivals) G.R. Elton,2009-12-10 The twenty five year period following the Second World War saw an enormous expansion of activity in the writing of the history of modern Britain and with that expansion a major transformation of the state of knowledge in many parts of the area First published in 1970 this Revivals reissue which includes an extensive coverage of books and a reasonable selection of articles endeavours both to survey the work done and to reduce it to some comprehensible order It indicates achievements and probable lines of development and collects the materials that have grown around the main controversies Omitted are local history in the main and the history of empire and commonwealth except where the latter really arises out of the affairs of the mother country There are special sections on social history the history of ideas Scotland and Ireland *England's Sea Empire, 1550-1642* David B. Quinn,A N Ryan,2023-08-11 First published in 1983 England's Sea Empire was originally part of the Early Modern Europe Today book series It explores the relationships between the increase of English merchant shipping the growth of naval power and the early experiments in overseas trade and colonisation No other book combines these topics for the period from the middle of the 16th to the middle of the 17th century In dealing with economic strategic and technical problems the authors write in language which is intelligible to non specialist readers They illustrate the arguments with generous quotations from contemporary sources and with maps of the regions under discussion This book will be of value on undergraduate courses in early British or colonial or maritime history **The Oxford Illustrated History of Britain** Kenneth O. Morgan,2000 Examines political economic social and culture changes in Great Britain from Roman times to the present *James Ussher and John Bramhall* Jack Cunningham,2017-11-30 This book examines the lives of two leading Irish ecclesiastics James Ussher 1581 1656 and John Bramhall 1594 1663 Both men were key players in the religious struggles that shook the British Isles during the first half of the seventeenth century and their lives and works provide important insights into the ecclesiastical history of early modern Europe As well as charting the careers of Ussher and Bramhall this study introduces an original and revealing method for examining post Reformation religion Arguing that the Reformation was stimulated by religious impulses that pre date Christianity it introduces a biblical concept of Justice and Numinous motifs to provide a unique perspective on ecclesiastical development Put simply these motifs represent on the one hand the fear of God's judgement and on the other the sacred conception of the fear of God These subtle understandings that co existed in the Catholic church were split apart at the Reformation and proved to be separate poles around which different interpretations of Protestantism gathered By applying these looser concepts to Ussher and Bramhall rather than rigid labels such as Arminian Laudian or Calvinist a more subtle understanding of their careers is possible and provides an altogether more satisfactory method of denominational

categorisation than the ones presently employed not just for the British churches but for the history of the Reformation as a whole *Oliver Cromwell: Oxford Bibliographies Online Research Guide* Oxford University Press,2010-06-01 This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related This ebook is a static version of an article from Oxford Bibliographies Online Renaissance and Reformation a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of European history and culture between the 14th and 17th centuries Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com *The Oxford History of Britain* Kenneth O. Morgan,2021-02-25 A new edition of this best selling history of Britain from Roman times now updated to cover the first decade of the 21st century The Oxford History of Britain tells the story of Britain and its people over two thousand years from the coming of the Roman legions to the present day Encompassing political social economic and cultural developments throughout the British Isles the dramatic narrative is taken up in turn by ten leading historians who offer the fruits of the best modern scholarship to the general reader in an authoritative form A vivid sometimes surprising picture emerges of a continuous turmoil of change in every period and the wider social context of political and economic tension is made clear But consensus no less than conflict is a part of the story in focusing on elements of continuity down the centuries the authors bring out that special awareness of identity which has been such a distinctive feature of British society By relating both these factors in the British experience and by exploring the many ways in which Britain has shaped and been shaped by contact with Europe and the wider world this landmark work brings the reader face to face with the past and the foundations of modern British society This updated new edition by the original editor adds great richness by taking the story down from the economic crisis of 2008 to the conflict over Europe at the present day

Seventeenth Century Britain 1603 1714 Critical Bibliographies In Modern History Introduction

In the digital age, access to information has become easier than ever before. The ability to download Seventeenth Century Britain 1603 1714 Critical Bibliographies In Modern History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Seventeenth Century Britain 1603 1714 Critical Bibliographies In Modern History has opened up a world of possibilities. Downloading Seventeenth Century Britain 1603 1714 Critical Bibliographies In Modern History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Seventeenth Century Britain 1603 1714 Critical Bibliographies In Modern History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Seventeenth Century Britain 1603 1714 Critical Bibliographies In Modern History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without

Seventeenth Century Britain 1603 1714 Critical Bibliographies In Modern History

any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Seventeenth Century Britain 1603 1714 Critical Bibliographies In Modern History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Seventeenth Century Britain 1603 1714 Critical Bibliographies In Modern History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Seventeenth Century Britain 1603 1714 Critical Bibliographies In Modern History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Seventeenth Century Britain 1603 1714 Critical Bibliographies In Modern History Books

1. Where can I buy Seventeenth Century Britain 1603 1714 Critical Bibliographies In Modern History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
