Sex And Citizenship In Antebellum America

Nan Goodman, Simon Stern

Sex And Citizenship In Antebellum America:

Sex and Citizenship in Antebellum America Nancy Isenberg, 1998 *Sex and Citizenship in Antebellum America* Nancy Isenberg, 2000-11-09 With this book Nancy Isenberg illuminates the origins of the women's rights movement Rather than herald the singular achievements of the 1848 Seneca Falls convention she examines the confluence of events and ideas before and after 1848 that in her view marked the real birth of feminism Drawing on a wide range of sources she demonstrates that women's rights activists of the antebellum era crafted a coherent feminist critique of church state and family In addition Isenberg shows they developed a rich theoretical tradition that influenced not only subsequent strains of feminist thought but also ideas about the nature of citizenship and rights more generally By focusing on rights discourse and political theory Isenberg moves beyond a narrow focus on suffrage Democracy was in the process of being redefined in antebellum America by controversies over such volatile topics as fugitive slave laws temperance Sabbath laws capital punishment prostitution the Mexican War married women's property rights and labor reform all of which raised significant legal and constitutional questions These pressing concerns debated in women's rights conventions and the popular press were inseparable from the gendered meaning of nineteenth century citizenship **The Routledge**

Research Companion to Law and Humanities in Nineteenth-Century America Nan Goodman, Simon Stern, 2017-05-12 Nineteenth century America witnessed some of the most important and fruitful areas of intersection between the law and humanities as people began to realize that the law formerly confined to courts and lawyers might also find expression in a variety of ostensibly non legal areas such as painting poetry fiction and sculpture Bringing together leading researchers from law schools and humanities departments this Companion touches on regulatory statutory and common law in nineteenth century America and encompasses judges lawyers legislators litigants and the institutions they inhabited courts firms prisons It will serve as a reference for specific information on a variety of law and humanities related topics as well as a guide to understanding how the two disciplines developed in tandem in the long nineteenth century **Intimate Partner Violence**

in New Orleans Ashley Baggett, 2017-10-13 Ashley Baggett uncovers the voices of abused women who utilized the legal system in New Orleans to address their grievances from the antebellum era to the end of the nineteenth century Poring over 26 000 records Baggett analyzes 421 criminal cases involving intimate partner violence physical or emotional abuse of a partner in a romantic relationship revealing a significant demand among women the community and the courts for reform in the postbellum decades Before the Civil War some challenges and limits to the male privilege of chastisement existed but the gendered power structure and the veil of privacy for families in the courts largely shielded abusers from criminal prosecution However the war upended gender expectations and increased female autonomy leading to the demand for and brief recognition of women's right to be free from violence Baggett demonstrates how postbellum decades offered a fleeting opportunity for change before the gender and racial expectations hardened with the rise of Jim Crow Her findings reveal

previously unseen dimensions of women's lives both inside and outside legal marriage and women's attempts to renegotiate power in relationships Highlighting the lived experiences of these women Baggett tracks how gender race and location worked together to define and redefine gender expectations and legal rights Moreover she demonstrates recognition of women's legal personhood as well as differences between northern and southern states trajectories in response to intimate partner violence during the nineteenth century

The Oxford Encyclopedia of American Social History Lynn Dumenil, 2012-06-07 The Oxford Encyclopedia of American Social History is the first reference work to eschew a narrow focus on past presidents intellectuals military heroes and other exhaustively studied and well remembered persons and instead examine the history of ordinary Americans The more than 450 entries in the Encyclopedia examine our shared history from the bottom up with entries on the way automobiles shaped American lives the westward movement of settlers and farmers in the eighteenth and nineteenth centuries the transformation of work over time the women's suffrage movement counterculture leisure activities consumption patterns voting habits population movements racial divides and many more fascinating topics intended to help readers develop a richer framework for understanding the social experience of Americans throughout history

A Companion to American Women's History Nancy A. Hewitt, 2008-04-15 This collection of twenty four original essays by leading scholars in American women's history highlights the most recent important scholarship on the key debates and future directions of this popular and contemporary field Covers the breadth of American Women's history including the colonial family marriage health sexuality education immigration work consumer culture and feminism Surveys and evaluates the best scholarship on every important era and topic Includes expanded bibliography of titles to guide further research

Women in the World of Frederick Douglass Leigh Fought, 2017-04-05 In his extensive writings Frederick Douglass revealed little about his private life His famous autobiographies present him overcoming unimaginable trials to gain his freedom and establish his identity all in service to his public role as an abolitionist But in both the public and domestic spheres Douglass relied on a complicated array of relationships with women white and black slave mistresses and family political collaborators and intellectual companions wives and daughters And the great man needed them throughout a turbulent life that was never so linear and self made as he often wished to portray it In *Women in the World of Frederick Douglass* Leigh Fought illuminates the life of the famed abolitionist off the public stage She begins with the women he knew during his life as a slave his mother from whom he was separated his grandmother who raised him his slave mistresses including the one who taught him how to read and his first wife Anna Murray a free woman who helped him escape to freedom and managed the household that allowed him to build his career Fought examines Douglass's varied relationships with white women including Maria Weston Chapman Julia Griffiths Elizabeth Cady Stanton and Ottilie Assing who were crucial to the success of his newspapers were active in the antislavery and women's movements and promoted his work nationally and internationally She also considers Douglass's relationship with his daughter Rosetta who symbolized her

parents middle class prominence but was caught navigating between their public and private worlds Late in life Douglass remarried to a white woman Helen Pitts who preserved his papers home and legacy for history By examining the circle of women around Frederick Douglass this work brings these figures into sharper focus and reveals a fuller and more complex image of the self proclaimed woman s rights man

The Human Tradition in American Labor History Eric

Arnesen,2004 Assembles biographical stories of famous leaders and unknown activists covering the 18th century up to 1970 Relates to enslaved artisans interracial unionism immigration Jewish radicalism and gender the New Black Politics reverse migration in World War II the United Farm Workers Union etc

Mrs. Stanton's Bible Kathi Kern,2001 Mrs Stanton s Bible traces the impact of Elizabeth Cady Stanton s religious dissent on the suffrage movement at the turn of the century and presents the first book length reading of her radical text the Woman s Bible Stanton is best remembered for organizing the Seneca Falls convention at which she first called for women s right to vote Yet she spent the last two decades of her life working for another cause women s liberation from religious oppression Stanton came to believe that political enfranchisement was meaningless without the systematic dismantling of the church s stifling authority over women s lives In 1895 she collaboratively authored this biblical exegesis just as the women s movement was becoming more conservative Stanton found herself arguing not only against male clergy members but also against devout female suffragists Kathi Kern demonstrates that the Woman s Bible itself played a fundamental role in the movement s new conservatism because it sparked Stanton s censure and the elimination of her fellow radicals from the National American Woman Suffrage Association Mrs Stanton s Bible dramatically portrays this crucial chapter of women s history and facilitates the understanding of one of the movement s most controversial texts

Art and Public History Rebecca Bush,K. Tawny

Paul,2017-05-11 Art and Public History Approaches Opportunities and Challenges examines the relationship between art and public history outlining opportunities challenges and insights drawn from recent initiatives With a special eye towards audience engagement and challenging historical narratives all of the case studies and projects combine historical interpretation with contemporary and historical forms of visual art in unique and insightful ways In addition to emphasizing the kind of practical advice found in the best case studies this volume also offers a critical discussion of the concepts tools skills and technologies that contribute to fruitful interdisciplinary collaboration These issues are addressed through sections on projects related to historical artworks contemporary art and artists and public art and the built environment It addresses how public historians can incorporate art into their practice by outlining opportunities challenges and insights drawn from recent projects in the United States and Britain These projects have taken place across a variety of platforms including local and national history museums art galleries digital archives classrooms historical markers and public art projects The case studies incorporate the perspectives of different stakeholders including public historians artists and audiences The book will provide both public history practitioners and academics with useful guidance on how art can be integrated into public history

initiatives through critical discussion of tools strategies and technologies that contribute to fruitful collaboration and audience engagement across a variety of platforms Readers will walk away with new ideas strategies and practical considerations for interdisciplinary projects to attract audiences in new ways

While this might not be the Sex And Citizenship In Antebellum America full book , it can give you a taste of the authors

writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sex And Citizenship In Antebellum America eBooks, including some popular titles.

FAQs About Sex And Citizenship In Antebellum America Books

What is a Sex And Citizenship In Antebellum America PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sex And Citizenship In Antebellum America PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sex And Citizenship In Antebellum America PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sex And Citizenship In Antebellum America PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sex And Citizenship In Antebellum America PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
