Sex and Marriage in Utopian Communities

Sex And Marriage In Utopian Communities 19th Century America

Raymond Lee Muncy

Sex And Marriage In Utopian Communities 19th Century America:

Sex and Marriage in Utopian Communities Raymond Lee Muncy, 1973 Estudio historico de las comunidades utopicas establecidas en estados unidos en el s Xix como sistema de vida opuesto al tradicional Se centra en 3 tipos basicos y su evolucion Las comunidades sectarias las reformistas y las cooperativas puramente economicas En todas la propiedad es comunal y se aplican las teorias de owen y fourier pero el autor se centra en aquellas en las que se llevan a cabo relaciones sexuales y matrimoniales fuera de lo establecido Al final hace un receso sobre los derechos de las mujeres en estas comunidaes utopicas

Sex and Marriage in Nineteenth Century Utopian Communities in America Raymond Lee Muncy, 1971 [America's Communal Utopias](#) Donald E. Pitzer, 2010-01-20 From the Shakers to the Branch Davidians America s communal utopians have captured the popular imagination Seventeen original essays here demonstrate the relevance of such groups to the mainstream of American social religious and economic life The contributors examine the beliefs and practices of the most prominent utopian communities founded before 1965 including the long overlooked Catholic monastic communities and Jewish agricultural colonies Also featured are the Ephrata Baptists Moravians Shakers Harmonists Hutterites Inspirationists of Amana Mormons Owenites Fourierists Icarians Janssonists Theosophists Cyrus Teed s Koreshans and Father Divine s Peace Mission Based on a new conceptual framework known as developmental communalism the book examines these utopian movements throughout the course of their development before during and after their communal period Each chapter includes a brief chronology giving basic information about the group discussed An appendix presents the most complete list of American utopian communities ever published The contributors are Jonathan G Andelson Karl J R Arndt Pearl W Bartelt Priscilla J Brewer Donald F Durnbaugh Lawrence Foster Carl J Guarneri Robert V Hine Gertrude E Huntington James E Landing Dean L May Lawrence J McCrank J Gordon Melton Donald E Pitzer Robert P Sutton Jon Wagner and Robert S Weisbrot

The Western Case for Monogamy Over Polygamy John Witte, 2015-05-05 This volume documents the Western historical arguments for monogamy over polygamy from antiquity to the present

Max Weber, Rudolf Steiner, and Modern Western Esotericism Aaron French, 2025-03-10 This book challenges previous definitions of modernity by comparing Max Weber 1864 1920 often considered the most important sociologist of the 20th century and Rudolf Steiner 1861 1925 founder of Waldorfp dagogik and the esoteric social reform movement of anthroposophy While acknowledging that Weber and Steiner were different in several respects this research illustrates that the individual histories of these two thinkers are more entangled than previously recognized This includes the influence of esotericism on their thinking as well as their profound concern with science and technological change and an openness to the religious and philosophical concepts of the civilizations of South and East Asia Demonstrating the importance of non European influences for a full understanding of modernity this book will be a valuable resource for students and scholars of Asian and European philosophy social theory and Asian society

Women in American History Peg A. Lamphier, Rosanne

Welch,2017-01-23 This four volume set documents the complexity and richness of women s contributions to American history and culture empowering all students by demonstrating a more populist approach to the past Based on the content of most textbooks it would be easy to reach the erroneous conclusion that women have not contributed much to America s history and development Nothing could be further from the truth Offering comprehensive coverage of women of a diverse range of cultures classes ethnicities religions and sexual identifications this four volume set identifies the many ways in which women have helped to shape and strengthen the United States This encyclopedia is organized into four chronological volumes with each volume further divided into three sections Each section features an overview essay and thematic essay as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson Lucy Stone and Lucille Ball and from the International Ladies of Rhythm to the International Ladies Garment Workers Union The set also includes a vast variety of primary documents such as personal letters public papers newspaper articles recipes and more These primary documents enhance users learning opportunities and enable readers to better connect with the subject matter *Human Ethology*

Irenaus Eibl-Eibesfeldt,2017-07-28 With the discovery of conditioned reflexes by I P Pavlov the possibilities for experimenting following the example set by the classical exact sciences were made available to the behavioral sciences Many psychologists hoped that the component parts of behavior had also been found from which the entire multifaceted cosmos of behavior could then be constructed An experimentally oriented psychology subsequently developed including the influential school of behaviorism This first text on human ethology presents itself as a unified work even though not every area could be treated with equal depth For example a branch of ethology has developed in the past decade which places particular emphasis on ecology and population genetics This field known as sociobiology has enriched discussion beyond the boundaries of behavioral biology through its stimulating and often provocative theses After vigorous debates between behaviorists anthropologists and sociologists we have entered a period of exchange of thoughts and a mutual approach which in many instances has led to cooperative projects of researchers from different disciplines This work offers a biological point of view for discussion and includes data from the author s cross cultural work and research from the staff of his institute It confirms above all else the astonishing unity of mankind and paints a basically positive picture of how we are moved by the same passions jealousies friendliness and active curiosity The need to understand ourselves has never been as great as it is today An ideologically torn humanity struggles for its survival Our species does not know how it should compensate its workers and it experiments with various economic systems constitutions and forms of government It struggles for freedom and stumbles into newer conflicts Population growth is apparently completely out of hand and at the same time many resources are being depleted We must consider our existence rati **Medical Fringe and Medical Orthodoxy 1750-1850** W. F. Bynum,Roy

Porter,2018-12-07 First published in 1987 Even as the professionalism of medicine progressed many sufferers continued to rely on what would now be termed fringe practitioners quacks backstreet surgeons bone setters Thomsonian botanists holists

and naturalists Many types of fringe medicine were popular in particular circles or reflected the political or religious preoccupations of their practitioners Anti establishment radicals might favour natural medicine Christian Scientists would reject the medical aid Physical Puritans would concentrate on homeopathy hydropathy and vegetarianism to create health rather than counter disease Some diseases particularly venereal ones allowed practitioners to play unscrupulously on the guilt of their patients The end of the period saw professionalism establish itself in many areas for example with the foundation in 1852 of the Pharmaceutical Society and conflicts of fringe and orthodoxy became the fiercer The essays collected in this volume all present new research on this fascinating and diverse period in the history of medicine **A Journey from Within** Charlotte Perkins Gilman,1995 Hill puts the letters into biographical and historical context in an introductory essay that also explains their theoretical and historical importance The edited and annotated letters then follow in chapters each preceded by an introductory essay The book concludes with a biographical sketch of the remaining thirty five years of Gilman s life together with an assessment of the letters historical and biographical significance **BOOK JACKET**
