

Sex And Religion

Didier Musso

Sex And Religion:

Sex and Religion Dag Ølstein Endsjø, 2012-01-01 Sex and religion are inevitably and intricately linked. There are few realms of human experience other than sex in which religion has greater reach and influence. The role of religion of any faith to prohibit, regulate, condemn and reward is unavoidably prominent in questions of sex, namely with whom, when, how and why. In *Sex and Religion*, Dag Ølstein Endsjø examines the myriad and complex religious attitudes towards sex in cultures throughout the world. Endsjø reflects on some of the most significantly problematic areas in the relationship between sex and religion, from sex before or outside of marriage to homosexuality. Through many examples from world religions, he outlines what people mean by sex in a religious context, with whom it is permissible to have sex, how sex can be a directly religious experience, and what consequences there are for deviance for both the individual and society. As Endsjø explains, while Buddhist monks call attention to gay sex as a holy mystery, the Christian church questions a homosexual's place in the church. Some religions may believe that promiscuity leads to hurricanes and nuclear war, and in others, God condemns interracial marriage. Sex and Religion reveals there is nothing natural or self-evident about the ways in which various religions prescribe or proscribe and bless or condemn different types of sexuality. Whether sex becomes sacred or abhorrent depends entirely on how a religion defines it. *Sex and Religion* is a fascinating investigation of mores, meanings, rituals and rules in many faiths around the globe and will be of interest to anyone curious about the intersection of these fundamental aspects of human history and experience.

Sex, Gender and the Sacred Joanna de Groot, Sue Morgan, 2014-04-03 *Sex, Gender and the Sacred* presents a multi-faith, multi-disciplinary collection of essays that explore the interlocking narratives of religion and gender encompassing 4,000 years of history. Contains readings relating to sex and religion that encompass 4,000 years of gender history. Features new research in religion and gender across diverse cultures, periods and religious traditions. Presents multi-faith and multi-disciplinary perspectives with significant comparative potential. Offers original theories and concepts relating to gender, religion and sexuality. Includes innovative interpretations of the connections between visual, verbal and material aspects of particular religious traditions.

The God-idea Of The Ancients Eliza Burt Gamble, 2023-07-18 Delve into the provocative subject of sex in religion with Eliza Burt Gamble's groundbreaking work. Drawing on sources from across the ancient world, Gamble argues that sexual symbolism and ritual played a central role in many of the world's earliest religions. Her insightful analysis challenges readers to reconsider their assumptions about the intersection of spirituality and sexuality. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual or corporate, has a copyright on the body of the work. Scholars believe and we concur that this work is important enough to be preserved, reproduced and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping

this knowledge alive and relevant When Sex Was Religion Dr. Larry Falls, 2010-03-26 Evidence of the connection between sex and religion can be found in fertility cults in all nations of the past When Sex Was Religion takes a comprehensive look at how sexual practices were originally considered a religion before the introduction of Christianity Dr Larry Falls a registered clinical sexologist specializing in sexual abuse trauma and emotional health spent five years traveling throughout the United States Canada and Europe learning about different religions cultural history and sexual behavior while working on his doctoral thesis In his fascinating exploration into the beginning of human reason and the birth of religious thought includes the importance of reproduction virgins and temple prostitutes the original meaning of the cross Devil worship witches Sabbath and the curse of the evil eye Dr Falls also proves that the Kama Sutra an ancient Hindu religious narrative about pleasure love and sexuality was really a Bible designed for the purpose of teaching others to gain favor from the gods by engaging in sexual intercourse Dr Falls examination into sex worship demonstrates that phallic reverence was not only a religion but also a cause for dominance and sexual exploitation that to this day remains part of our social structure **Love, Sex and Gender in the World Religions** Nancy M. Martin, Joseph Runzo, 2000-08 This new volume offers enlightening new perspectives on the roles of love sex and gender in different faiths and covers issues from gender politics to religious ecstasy
