Sex And Suffering:

Sex and Suffering Janet McCalman, 2012-11-27 Sex and Suffering is a ground breaking work It tells the often shocking story of women s desperation to gain control over their lives and their health and of medicine s struggle to comprehend and manage the mysteries of nature It offers a graphic and revealing history of childbirth in Australia of the medical care of women of nursing and gender roles and of the impact of immigration on Australian society Remarkably thousands of detailed case notes from the 1850s to the 1930s survived intact at the Royal Women s Hospital Melbourne For the first time in the English speaking world a historian was allowed to work directly from these confidential patient records Janet McCalman vividly recreates the lives of patients and the daily work of a hospital She enables readers to follow the institution through times of growth and economic depression through the grim history of criminal abortion and through the inspiring story of medical science and surgery since the coming of anaesthesia Sex and Suffering is a vivid and absorbing social history of women s health seen through the work of Australia s oldest women s hospital *Sex Problems in Women* Anthony John Copper Magian, 1922 Sex, Sexuality and Sexual Health in Southern Africa Deevia Bhana, Mary Crewe, Peter Aggleton, 2022-07-15 This book Sex Sexuality and Sexual Health in Southern Africa is structured around four major themes gender and sexuality diversity love pleasure and respect gender sexual violence and health and sexuality gender and sexual justice Chapters in this book analyse sexuality in relation to recent developments in the Southern African region and what this might mean for contemporary theory policy and practice Sex sexuality and sexual health are often viewed through a narrow biomedical lens ignoring the fact that they are profoundly social and historical in character The contributors in this book bring to light the entanglements of sexuality with respect recognition rights and mutual respectful pleasure Authors draw attention to partnerships allyships and feminist queer and trans coalitions in the pursuit of sexual health and justice in the region The book will be of interest to final year undergraduate and postgraduate students researchers and activists as well as those working in Women and Gender Studies Critical Sexuality Studies Sexual and Reproductive Health Development Studies Public Health Psychology Education Sociology and Anthropology **Forbidden Sex, Forbidden Texts** Hoshang Merchant, 2020-11-29 The book argues that there is no monolithic homosexuality there are only homosexualities that is there are as many reasons for being gay as there are gays Some people are born gay some have gayness thrust upon them and some do indeed achieve to great gayness Representation of homosexuality homoeroticism as it is understood today is thus a western import The act and public social discourses on same sex love are still illegal it is according to many against the Indian tradition and a sense of history is seriously problematic when we dig out for a past tradition of homoerotic love and desire Hoshang Merchant through an examination of texts films poetry attempts to analyse and crack the codes of sexual misconduct in contemporary India giving short histories of the fate of several gay writers and explaining the difficulties of coming out **Sex, Discrimination, and Violence** Stephen Kershner, 2009-09-08 Sex Discrimination and Violence is about

how the systematic application of some basic principles of applied ethics yields some surprising and very unpopular results In particular Stephen Kershnar investigates three areas sex discrimination and violence In his discussion of sex he concludes that adult child sex is not always wrong and that it is not clear that watching rape pornography is bad for the viewer When discussing discrimination Kershnar argues for the following startling conclusions persons of different races on average differ in their value professional schools may and probably should discriminate against women and equal opportunity is not worth pursuing In his discussion of violence he contends that in some cases governments are morally permitted to use torture in order to interrogate suspected terrorists and may assassinate foreign leaders These controversial conclusions will no doubt spur animated and thoughtful discussion amongst readers Telling Sexual Stories Ken Plummer,2002-11 First published in 2004 Routledge is an imprint of Taylor Francis an informa company **Sex Searchlights and Sane Sex Ethics** Lee Alexander Stone,1922 *The Sexual Revolution* Wilhelm Reich,1986-03 In this book Wilhelm Reich summarizes the criticism of the prevailing sexual conditions and conflicts as it resulted from his sex economic medical experiences over a period of years *Violence Against Women and Children* Carol J.
