

Sex in the Heartland

BETH BAILEY

Sex In The Heartland

Beth L. Bailey

Sex In The Heartland:

Sex in the Heartland Beth Bailey, 2002-10-31 This is the story of the sexual revolution in a small university town in the quintessential heartland state of Kansas Bypassing oft told tales of radicals and revolutionaries on the coasts Bailey argues that the revolution was forged in towns and cities alike as ordinary people struggled over boundaries of sexual behavior in postwar America

Sex in the Heartland Beth L. Bailey, 1999

Sex and Sexuality in a Feminist World Katherine A. Hermes, Karen A. Ritzenhoff, 2009-01-14 Sex and sexuality are topics that have defined feminism since its inception What has changed is that there is now a generation of feminists and scholars who are comfortable not only to write in their own disciplines but who incorporate feminist ideas in their research This book assembles a variety of essays most of which were written especially for this collection that negotiate sex and sexuality in historical contexts as well as in contemporary times There is a common ground of history and popular culture among the articles While different theories of feminism operate in these essays feminist lenses have allowed the reevaluation of familiar topics from early religious practices to medieval literature to current films and advertising The authors represented in this collection range from established feminist and gender scholars to those who employ feminist theoretical frameworks in their respective disciplines

Sex and the Office, Second Edition Julie Berebitsky, 2025-10-01 This transformative book examines men's and women's changing attitudes toward sex and gender in the US workplace Between 1870 and 1970 white collar office work became the leading form of employment for American women As more and more women took office jobs men and women workers attempted to make sense of this new environment where the workplace became a site of gendered power negotiations Emotional and sexual desires entangled with rational operating procedures Drawing on a wide range of primary sources including government investigation reports scandal papers memoirs and advice literature Julie Berebitsky describes how women perceived and responded to male desire and discrimination in the office She also offers keen insight into how popular media cartoons advertisements and a wide array of fictional accounts represented wanted and unwelcome romantic and sexual advances in the workplace Now in paperback for the first time this compelling edition includes a foreword that brings Berebitsky's work into the present where the Trump presidencies MeToo movement and global pandemic provide striking illustrations of the book's enduring relevance An afterword reflects on Berebitsky's lasting impact as a feminist teacher and scholar in the fields of labor history and women's studies

Sex and the University Daniel Reimold, 2010 Who would think that Monday morning's page turning sports scores could be trumped by Sex on Tuesday But during the last decade or so college newspaper sex columns and campus sex magazines have revolutionized student journalism and helped define a new sexual generation They are the ultimate authorities on student social interaction relationships and sex at a time when sexual activity sexual dangers and sexual ignorance are prevalent and sex has become the wallpaper of students' lives Daniel Reimold gives readers of all generations an inside look at this phenomenon Student sex columnists and sex magazine editors are both celebrities on their

home campuses One columnist echoing the sentiments of many said he became an overnight rock star golden child of journalism But with celebrity comes controversy These columns and magazines have sparked contentious and far reaching legal religious and intergenerational debates about sex the student press and the place of both within higher education They are also the most prominent modern student press combatants in the fight for free speech And they have blurred journalistic boundaries between what is considered public and private art and pornography and gossip and news Sex and the University explores the celebrity status that student sex columnists and magazine editors have received the controversies they have caused and the sexual generation and student journalism revolution they represent Complete with a sexicon of slang this book also dives into the columns and magazines themselves sharing for the first time what modern students are saying about their sex and love lives in their own words **Sex, France, and Arab Men, 1962-1979** Todd Shepard, 2018-01-08 The aftermath of Algeria s revolutionary war for independence coincided with the sexual revolution in France and in this book Todd Shepard argues that these two movements are inextricably linked Sex France and Arab Men is a history of how and why from the upheavals of French Algeria in 1962 through the 1970s highly sexualized claims about Arabs were omnipresent in important public French discussions both those that dealt with sex and those that spoke of Arabs Shepard explores how the so called sexual revolution took shape in a France profoundly influenced by the ongoing effects of the Algerian revolution Shepard s analysis of both events alongside one another provides a frame that renders visible the ways that the fight for sexual liberation usually explained as an American and European invention developed out of the worldwide anticolonial movement of the mid twentieth century *Sex Goes to School* Susan K. Freeman, 2010-10-01 When seeking approaches for sex education few look to the past for guidance But Susan K Freeman s investigation of the classrooms of the 1940s and 1950s offers numerous insights into the potential for sex education to address adolescent challenges particularly for girls From rural Toms River New Jersey to urban San Diego and many places in between the use of discussion based classes fostered an environment that focused less on strictly biological matters of human reproduction and more on the social dimensions of the gendered and sexual worlds that the students inhabited Although the classes reinforced normative heterosexual gender roles that could prove repressive the discussion based approach also emphasized a potentially liberating sense of personal choice and responsibility in young women s relationship decisions In addition to the biological and psychological underpinnings of normative sexuality teachers presented girls sex lives and gendered behavior as critical to the success of American families and by extension the entire way of life of American democracy The approaches of teachers and students were sometimes predictable and other times surprising yet almost wholly without controversy in the two decades before the so called Sexual Revolution of the 1960s Sex Goes to School illuminates the tensions between and among adults and youth attempting to make sense of sex in a society that was then as much as today both sex phobic and sex saturated *Sexidemic* Lawrence R. Samuel, 2013-02-07 Sexidemic is the first real cultural history of sexuality in the United States

since the end of World War II For a people who supposedly love sex the author argues Americans have had no shortage of problems with it Since the end of World War II in fact we ve had a contentious relationship with sexuality the subject a source of considerable tension and controversy on both an individual and societal level Rather than being a simple pleasure of life something to be enjoyed sex has served as a challenging and disruptive force in many Americans everyday lives for the last two thirds of a century Our love affair with sex has thus been a rocky one filled with bumps in the road that have caused major instability across our cultural landscape Our individualistic competitive consumerist and anxious national character is both reflected in and reinforced by this sexidemic something few have recognized or perhaps want to admit By charting the cultural trajectory of sex in America since the end of World War II Sexidemic reveals how the nation s continual woes with sexuality helped make us an anxious insecure people The sex lives of many perhaps most Americans have been in a perpetual state of crisis a constant source of concern We ve fretted over every dimension of it with problems in both quality and quantity With this unhealthy view of sexuality it was not surprising that we felt we needed a variety of potions and gadgets to make it happen or be pleasurable In tracing the cultural trajectory of sex in our society Samuel illustrates our bipolar approach to sexuality low libido and sex addiction emerged as common disorders and sex scandal after sex scandal has made headlines especially over the last couple of years Only money has surpassed sex as a source of stress for Americans indeed sex has come to be seen and treated as a commodity In this timely work the author traces the role sex plays in our society how it shapes us and the world around us and how we got where we are today in our views treatment and practice of sex and sexuality in our everyday lives

Wallowing in Sex Elana Levine,2007-01-09 A cultural history of sexual content in television

shows and TV advertising during the 1970s **The Transformation of American Sex Education** Ellen S.

More,2024-09-03 This book examines Americans attempts to come to terms with the vexed subject of sex education in the schools from the late 1940s to the early 21st century Using Mary Calderone s life and career as a touchstone it traces the origins of modern sex education in the United States from the work of a group of reformers who coalesced around Calderone to create SIECUS in 1964 through the development and use of the competing approaches known as abstinence based and comprehensive sex education from the 1980s into the 21st century

Recognizing the mannerism ways to acquire this book **Sex In The Heartland** is additionally useful. You have remained in right site to begin getting this info. get the Sex In The Heartland associate that we present here and check out the link.
