Sex Machines Photographs And Interviews:

Sex Machines Timothy Archibald, 2005 A humorous thoughtful exploration of American sex machine inventors and users told through photographs and interviews [The Machines of Sex Research](#) Donna J. Drucker, 2013-07-04 The Machines of Sex Research describes how researchers worldwide integrated technology into studies of human sexuality in the postwar era The machines they invented made new ways of seeing bodies possible Some researchers who studied men used machines like penile strain gauges to police deviant male sexuality others used less painful devices like penis cameras to study women s sexual responses and map the physiology of their arousal and orgasm While researchers used the findings from their technological innovations to propose their own views of how people should view their bodies and should manage their sexual lives their readers interpreted their findings to enact their own visions of sexuality Drucker shows how the use of machines in sex research provided some of the intellectual underpinnings of the sexual revolution and the women s and gay rights movements and in turn how the sex research community developed new machines for investigations that would enhance sexual happiness rather than constrict it The Machines of Sex Research is a key read for those interested in the intersections between human sexuality technology and twentieth century social movements Describes the little known history of the machines of human sex research in the postwar era Shows how researchers worldwide invented and used machines to study human sexuality and the body in new ways and how they used and improved each other s designs Relates the relationship between the machines of sex research to Cold War sexualities and gender and sexual liberation movements **Netporn** Katrien Jacobs, 2007 Netporn delves into the aesthetics and politics of sexuality in the era of do it yourself DIY Internet pornography Katrien Jacobs drawing on digital media theory and interviews with Web porn producers and consumers offers an unprecedented critical analysis of Web culture as digital artistry and of the corresponding heightened government surveillance and censorship of the Internet Netporn features Web users who question the goals of global commercial porn industries whether they are engaged in Usenet fringes video blogging peer to peer distribution porn art collectives or decadent amateurism Emphasizing gender and cultural differences Jacobs shows how the creative uses of netporn images and services are important ways of exploring or redefining the network body and indispensable ingredients of a maturing network society **Sex Media** Feona Attwood, 2017-12-08 Media are central to our experiences and understandings of sex whether in the form of familiar mainstream genres pornographies and other sex genres or the new zones interactions and technosexualities made possible by the internet and mobile devices In this engaging new book Feona Attwood argues that to understand the significance of sex media we need to examine them in terms of their distinctive characteristics relationships to art and culture and changing place in society Observing the role that media play in relation to sex gender and sexuality this book considers the regulation of sex and sexual representation issues around the sexualization of culture and demonstrates how a critical focus on sex media can inform debates on sex education and sexual health as well as illuminate

the relation of sex to labour leisure intimacy and bodies Sex Media is an essential resource for students and scholars of media culture gender and sexuality *Pornography and Seriality* S. Schaschek, 2013-12-05 Repetition and seriality are inherent in pornography and is constitutive for its functionality as a film genre an industry and an area of gender studies By linking the styles of the genre to processes of serial production consumption and discussion Schaschek questions the dominant assumptions about pornography and the stability of the genre *The Color of Kink* Ariane Cruz, 2016-10-04 Winner of the MLA's 2016 Alan Bray Prize for Best Book in GLBTQ Studies How BDSM can be used as a metaphor for black female sexuality The Color of Kink explores black women's representations and performances within American pornography and BDSM bondage and discipline domination and submission and sadism and masochism from the 1930s to the present revealing the ways in which they illustrate a complex and contradictory negotiation of pain pleasure and power for black women Based on personal interviews conducted with pornography performers producers and professional dominatrices visual and textual analysis and extensive archival research Ariane Cruz reveals BDSM and pornography as critical sites from which to rethink the formative links between Black female sexuality and violence She explores how violence becomes not just a vehicle of pleasure but also a mode of accessing and contesting power Drawing on feminist and queer theory critical race theory and media studies Cruz argues that BDSM is a productive space from which to consider the complexity and diverseness of black women's sexual practice and the mutability of black female sexuality Illuminating the cross pollination of black sexuality and BDSM The Color of Kink makes a unique contribution to the growing scholarship on racialized sexuality

Porn.com Feona Attwood, 2010 Pornography has always been central to debates about sex and emerging new media technologies Today debate is increasingly focused on online pornographies This collection examines pornography's significance as a focus of definition debate and myth its development as a mainstream entertainment industry and the emergence of the new economy of Porn 2.0 and of new types of porn labor and professionalism It looks at porn style behind the scenes of straight hardcore in gay lesbian and queer pornographies in shock sites and in amateur erotica and investigates the rise of the online porn fan community the sex blogger the erotic rate me site and the visual cultures of swingers Treating these developments as part of a broader set of economic and cultural transformations this book argues that new porn practices reveal much about contemporary and competing views of sex and the self the real and the body culture and commerce *The ASMP Guide to New Markets in Photography* Susan Carr, 2012-10-17 As a result of changes in technology and the economy every successful photography career today is unique and each image maker needs to build a career that matches his or her talents to one or more markets This indispensable manual from the American Society of Media Photographers sets the stage for understanding where the industry is now and where it is headed while offering step by step instructions for building a career tailored to one's own talents interests and business style in today's market An overview of developments in the industry covers the new visual needs created by the economy the changing definition of what it means to

be a photographer the shifting distribution of clients the role of technology and the role of copyright licensing compensation and contracts Photographers learn how to navigate this changing landscape in a second section that guides them through a strategic analysis of their strengths and weaknesses and provides expert advice on building a business plan marketing and selling Also included are concise business biographies of fifty visual artists who have successfully taken on the new markets in photography to give readers an idea of the many directions a career today can take

Histories of Sexology Alain Giami, Sharman Levinson, 2021-07-12 Histories of Sexology Between Science and Politics takes an interdisciplinary and reflexive approach to the historiography of sexology Drawing on an intellectual history perspective informed by recent developments in science and technology studies and political history of science this book examines specific social cultural intellectual scientific and political contexts that have given shape to theories of sexuality but also to practices in medicine psychology education and sexology Furthermore it explores various ways that theories of sexuality have both informed and been produced by sexologies as scientific and clinical discourses about sex in Western countries since the 19th century

Responsibility and Resistance Tobias Eberwein, Matthias Karmasin, Friedrich Krotz, Matthias Rath, 2019-08-05 The volume deals with the normative challenges and the ethical questions imposed by and through the developments and changes in everyday life culture and society in the context of media change It is thus concerned with the questions of whether and how the central concept of enlightened ethics must evolve under these premises or in other words what form do ethics take in mediatized societies In order to address this question and to stimulate and initiate a debate the authors focus on two concepts responsibility and resistance Their contributions try to shed light not only on the empirical shreds of evidence of change in mediatized societies but also on the normative challenges and ethical possibilities of these developments
