Long Watch In England

John Richard Green

Long Watch In England:

The Church of England Magazine ,1854 Report and speeches at the third annual meeting of the Church Pastoral aid Society May 8 1838 *The works of the English poets. With prefaces, biographical and critical*, by S. Johnson English poets,1790 English Mechanic and World of Science ,1873 **The English Sonnet** Thomas William Hodgson Crosland,1917 **Homer's Iliad, in English Rhymed Verse. By Charles Merivale** Homer,1869 **The Works of the English Poets. With Prefaces, Biographical and Critical, by Samuel Johnson** Mark Akenside,1779 *History of the English People* Green,1880 History of the English People John Richard Green,1878 **English Literature** Geraldine Emma Hodgson,1923 **History of the English People** John Richard Green,2022-05-17 In History of the English People John Richard Green offers a comprehensive and dynamic account of English history from the earliest times to the 19th century Written in a narrative style that blends vivid storytelling with scholarly rigor Green s work seeks to convey not just events but the evolution of the English nation and its people His methodology reflects the Victorian emphasis on social history integrating political economic and cultural dimensions to create a well rounded depiction of the English experience The book is structured thematically providing readers with a sense of continuity amid the complexities of historical change throughout the ages John Richard Green 1837 1883 was a notable historian and a key figure in promoting the importance of social history which can be observed in this seminal work His personal background marked by a rigorous education at Oxford and a deep passion for history shaped his compelling narrative style Green s keen interest in the ordinary lives of people rather than solely focusing on kings and battles resonates throughout the text reflecting a burgeoning desire to democratize history in an era of rapid social change History of the English People is an essential read for those interested in understanding the complexities of English history through a lens that emphasizes the human experience Green s elegant prose and meticulous research not only engage the reader but also encourage reflection on how historical narratives shape our understanding of identity and citizenship This book is highly recommended for both history enthusiasts and scholars alike

History of the English People (Vol. 1-8) John Richard Green,2023-11-13 John Richard Green s monumental work History of the English People spans eight volumes depicting the evolution of English society from its earliest origins through the Middle Ages into the late 19th century Green employs a vivid narrative style that combines rigorous historical scholarship with engaging storytelling making complex events and societal changes accessible to a wide readership His thoughtful exploration of political social and cultural developments not only underscores the interconnectedness of historical events but also encapsulates the lives and experiences of ordinary people reflecting the Romantic era s emphasis on individual narrative within historical contexts An influential Victorian historian John Richard Green was deeply immersed in the intellectual environment of his time influenced by burgeoning ideas of nationalism and social reform Green s own experiences as a student in a rapidly industrializing England coupled with his passion for reform and education informed his desire to present

a comprehensive yet empathetic account of English history His unique approach sought to bridge the gap between scholarly rigor and popular understanding advocating for history as a tool for moral reflection and national identity I highly recommend History of the English People for anyone interested in understanding the complex tapestry of English history Green s narrative enriches our comprehension of the past while encouraging critical reflection on contemporary society It remains an essential read for historians students and anyone fascinated by the cultural lineage of England

The History of the English People (All 8 Volumes) John Richard Green,2021-05-07 The History of the English People in eight volumes is a work of social history dealing with the origin and development of the British nation focusing on the events that played a big role in the formation of the nation Starting from the early middle ages the work goes from early origins of the waves of migration of the people who became the Britons and ends up in the Empire period of the late 19th century Volume I Early England 449 1071 Foreign Kings 1071 1204 The Charter 1204 1216 Volume II The Charter 1216 1307 The Parliament 1307 1400 Volume III The Parliament 1399 1461 The Monarchy 1461 1540 Volume IV The Reformation 1540 1593 Volume V Puritan England 1603 1660 Volume VI Puritan England 1642 1660 The Revolution 1660 1683 Volume VII The Revolution 1683 1760 Modern England 1760 1767 Volume VIII Modern England 1760 1815

Britain Against Napoleon Roger Knight,2013-10-24 From Roger Knight established by his multi award winning book The Pursuit of Victory as an authority none of his rivals can match N A M Rodger Britain Against Napoleon is the first book to explain how the British state successfully organised itself to overcome Napoleon and how very close it came to defeat For more than twenty years after 1793 the French army was supreme in continental Europe and the British population lived in fear of French invasion How was it that despite multiple changes of government and the assassination of a Prime Minister Britain survived and won a generation long war against a regime which at its peak in 1807 commanded many times the resources and manpower This book looks beyond the familiar exploits of the army and navy to the politicians and civil servants and examines how they made it possible to continue the war at all It shows the degree to which as the demands of the war remorselessly grew the whole British population had to play its part The intelligence war was also central Yet no participants were more important Roger Knight argues than the bankers and traders of the City of London without whose financing the armies of Britain s allies could not have taken the field The Duke of Wellington famously said that the battle which finally defeated Napoleon was the nearest run thing you ever saw in your life this book shows how true that was for the Napoleonic War as a whole Roger Knight was Deputy Director of the National Maritime Museum until 2000 and now teaches at the Greenwich Maritime Institute at the University of Greenwich In 2005 he published with Allen Lane Penguin The Pursuit of Victory The Life and Achievement of Horatio Nelson which won the Duke of Westminster s Medal for Military History the Mountbatten Award and the Anderson Medal of the Society for Nautical Research The present book is a culmination of his life long interest in the workings of the late 18th century British state
