Not Do But Done (eBook) Alan Platt,2016-03-01 We Start At Finish unpacks the message of the victory that God secured for humanity through one incredible moment of triumph at the cross Jesus Christ paid a price that was more than sufficient to reposition mankind to live life according to God s original design for man He redeemed our innocence and restored the glory we lost in Adam The gospel communicates the desire of Jesus Christ s to showcase humanity as a trophy of His grace However so many good Christian people continue to live in a way that reinforces the conviction that we are responsible for our own salvation Man in his fallen state is never going to get it right on his own Performance based two faced ungraced Christianity is debilitating Our assignment has never been about what we can do for God but what God has done for us We really start at the finish If you as a Christ follower are tired of trying to be good worrying about eternity and earning your way to Christ s love this book is liberating Discovering that you are not an after thought in God s mind as far as the gospel is concerned changes how you view yourself and places you in a new space of flourishing in the course of living

Returning Fire Linda Rhoutsong,2019-10-23 He had new medicine to help with his anger and we saw Mary our counselor three times a week alone and together Things were going very well and it was not uncommon for him to sleep over In the following weeks everything seemed fine except we were anxious for him to come home Maybe soon Mary said but we should keep doing what we were doing since it was going so well Then our nightmare began What was it that put him over the edge and become the man that he hated so much He would cross over that line and become the man that everyone feared He would not be the Mark we all loved ever again I still believed with all my heart that he would never really hurt me I will never forget his haunting words on the phone earlier He d called nine times begging me to let him come home I said No you re really scaring me Every time he d slam down the phone and threaten me I can t live another day without you and I won t Were my son Jimmy s words about to come true Mark is crazy someday he is going to kill someone My story is as funny as it is tragic It is scarier than I could have ever imagined What I put my children through is unimaginable to me now But I did it I

m not sure I will ever forgive myself for being so selfish and not putting them first I thank God every day that they have been able to forgive me I am one of the lucky ones God has blessed me in so many ways I hope you enjoy my story and that in some way it may help you see the truth in your own relationship and what so easily really can happen *Before Eternity*
