

Longterm Care And Its Alternatives

Graham D. Rowles

Longterm Care And Its Alternatives:

Long-term Care and Its Alternatives Charles B. Inlander, Michael A. Donio, J. Lynne Dodson, 1996 Twenty years ago long term care meant a nursing home But not anymore The world of long term care has expanded to include everything from home care to skilled nursing services from assisted living residences to intermediate care In fact right now long term care is the fastest growing segment in the health care market and for the consumer long term care offers a world of options But these options can be confusing and the questions many How much care is needed Where is the best place to receive it Can the family provide care in the home Will Medicare pay for it What is the difference between a retirement and assisted living facility Is long term care insurance a good investment How should long term care options be evaluated In *Long Term Care and Its Alternatives* you ll learn what to look for when evaluating services and facilities what community agencies and organizations offer you their services the pros and cons of home health care independent living continuing care communities and assisted living residences how to pay for long term care without going bankrupt the questions to ask before making a long term care decision and what the federal and state government can do to help you out *Long Term Care and Its Alternatives* may be the most valuable tool you own in your walk through the long term care maze Written in an easy to read consumer friendly style the book takes you on a step by step tour through the myriad of long term care services and options
