Coffin, 2020-09-15 When Judith G Coffin discovered a virtually unexplored treasure trove of letters to Simone de Beauvoir from Beauvoir's international readers it inspired Coffin to explore the intimate bond between the famed author and her reading public This correspondence at the heart of *Sex Love and Letters* immerses us in the tumultuous decades from the late 1940s to the 1970s from the painful aftermath of World War II to the horror and shame of French colonial brutality in Algeria and through the dilemmas and exhilarations of the early gay liberation and feminist movements The letters also provide a glimpse into the power of reading and the power of readers to seduce their favorite authors The relationship between Beauvoir and her audience proved especially long intimate and vexed Coffin traces this relationship from the publication of Beauvoir's acclaimed *The Second*
