Lord Of Alaska:

Lord of Alaska Hector Chevigny,1946 **Alaska** Walter R. Borneman,2009-10-13 This panoramic chronicle of Alaska captures the grandeur of its geography history and many larger than life personalities Just plain terrific Bradford Washburn The history of Alaska is filled with stories of new land and new riches and ever present are new people with competing views on how these valuable resources should be used Here are the stories of Russians exploiting a fur empire explorers checking rival advances prospectors stampeding to the clarion call of Gold soldiers battling out a decisive chapter in WWII oil wildcatters looking for a different kind of mineral wealth and always at the core of these disputes is the question of how the land itself is to be used and by whom While some want Alaska to remain static others are in the vanguard of change Alaska Saga of a Bold Land shows that there are no easy answers on either side of this perennial debate and that Alaska will always be crossing the next frontier **Alaska Politics & Government** Gerald A. McBeath,1994-01-01 This book examines Alaska s character and the forces shaping it Underlying their descriptions are the themes of independence dependence and the search for sustainable economic development Alaska's History Harry Ritter,1993-04-01 A lively take along account of Alaska s sweeping history made vivid with historical photos and entertaining essays Topics covered include Native lifestyles before contact with the Europeans Alexander Baranov and the Russian fur trade John Muir s visit to Glacier Bay in 1879 the Klondike gold rush stampede pioneer climbs on Mount McKinley the exploits of early Alaska Bush pilots big game hunting in the North Country Alaska s fisheries where salmon is king and today s Native traditions A history book that s fun to read Alaska s History sets forth the Last Frontier s glorious past and challenging present **Alaska Hunting** Jake Jacobson,2013-08-03 Alaska Hunting Earthworms to Elephants a collection of 39 stories is intended to be seasoning for a Hunters pie rural Alaska style Most hunters extol the charismatic mega fauna but pursuit of lesser game often takes center stage Occasionally hunting discoveries lead to other endeavors from jade mining to gold prospecting and fossil recovery Possibilities are limitless As we engage in hunting and fishing pursuits memories are laced with the big ones the exceptional genetically endowed giants but some of the brightest memories are of average representatives of their species What made them so memorable was the combination of circumstances under which they were taken or lost Companions whether human or animal often make the hunt memorable and its recollections of trophy quality **Ethics of Alaska Travel Writing since 1959** Benjamin Ferguson,2025-08-28 This book digs into environmental themes in Alaska travel writing since U S statehood in 1959 drawing on the works of six authors including Barry Lopez Jonathan Raban Tom Lowenstein and others Each work though disparate in style advocates for the empowerment of the Alaska Native people by connecting not only with diverse perspectives but with the lived realities in the geographical spaces that have formed them In analyzing how these authors have succeeded in depicting the realities of alterities and where they have perhaps fallen short by more recent standards we may begin to carve out a system of ethics This is important as fresh waves of travel writers search for their own place in the

environmental conversations surrounding the ever evolving 21st century Arctic and its place on the front lines of a changing climate
