Lords Table Eucharist And Passover In Early Christianity:

The Lord's Table Gillian Feeley-Harnik, 2017-01-30 No detailed description available for The Lord s Table Crossing Boundaries in Early Judaism and Christianity Kimberley Stratton, Andrea Lieber, 2016-10-11 This volume celebrates the scholarship of Alan Segal During his prolific career Alan published ground breaking studies that shifted scholarly conversations about Christianity rabbinic Judaism Hellenism and Gnosticism Like the subjects of his research Alan crossed many boundaries He understood that religions do not operate in academically defined silos but in complex societies populated by complicated human beings Alan s work engaged with a variety of social scientific theories that illuminated ancient sources and enabled him to reveal new angles on familiar material This interdisciplinary approach enabled Alan to propose often controversial theories about Jewish and Christian origins A new generation of scholars has been nurtured on this approach and the fields of early Judaism and Christianity emerge radically redefined as a result **Handbook of Early Christianity** Anthony J. Blasi, Jean Duhaime, Paul-André Turcotte, 2002-08-27 The Christian movement emerged amidst complex social tensions power politics ethnic diversity economic stress and cultural changes Both biblical scholars and social scientists find that a social scientific study of early Christian phenomena yields fascinating results However biblical scholars are sometimes unaware of the breadth of the useful social scientific concepts and techniques and social scientists sometimes lack the most basic background in literary research methods The Handbook of Early Christianity provides a much needed overview for biblical scholars and social scientists alike Drawing on perspectives from anthropology archaeology economics history literary analysis psychology political science and sociology the Handbook shows the myriad and complementary approaches that shed light on Christianity s formation and early development Twenty seven chapters from leading scholars along with a comprehensive bibliography make this an essential reference for anyone wishing to understand the social dynamics of Christianity s birth A Scriptural Theology of Eucharistic Blessings Susan I. Bubbers, 2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast Why is Eucharist important Bubbers interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters **Voices of Early Christianity** Kevin W. English Archbishop of Canterbury Thomas Cranmer engaged in a debate with Bishop Stephen Gardiner Archbishop Cranmer was asserting a new Reformed view for England s Eucharist theology but he faced opposition from England s leading traditional theologian Gardiner Gardiner remained faithful to the traditional doctrine of transubstantiation while Cranmer was formulating a Spiritual Presence theology This book analyzes the debate asking how both Cranmer and Gardiner arrived at opposing theologies despite being involved similarly in English religion and politics To answer the question the book examines each author s use of scripture continental Reformers and early Church Fathers The book also argues that the personal and political context surrounding the two men shaped the nature of the theological debate While trying to push

Edward VI's England toward greater Reformation Cranmer faced continued opposition from Gardiner who was imprisoned throughout Edward's reign Gardiner sought release from prison and a return to authority while Cranmer sought validation for his new theology and its associated legislation To counter Gardiner's challenge Cranmer had to create a clear Eucharistic theology This political and personal climate therefore forced Cranmer to create England's Spiritual Presence theology by 1552 that was adopted in the 1558 Elizabethan Settlement and Anglican Church It was this debate that set Anglicanism for England

Exclusion and Judgment in Fellowship Meals Jamir Lanuwabang, 2017-03-31 In Exclusion and Judgment in Fellowship Meals Lanuwabang Jamir seeks to demonstrate that the tradition of fellowship meals in the ancient world form the background against which the Lord's Supper must be understood Similarly the basis of Paul's response to the situation in Corinth and his theology of the Lord's Supper is to be found in these traditions The role of the fellowship meal in Greco-Roman and Jewish culture indicate that it was an important institution that played a pivotal role in the functioning of society

Judgment was an integral part of the fellowship meal traditions and it made such meal practices all the more significant in ancient cultures. For example, Jamir reveals that social economic factors were only part of the problem in Corinth where differences in ideology were the underlying cause of divisions in the church. Paul's response to the problem shows that he upheld the fellowship meal traditions linking sickness and death with the abuse of the Lord's Supper. The concept of judgment in the Lord's Supper while based on the fellowship meal traditions has been redefined in the light of the Gospel tradition.
