Lords Supper:

Understanding Four Views on the Lord's Supper Zondervan, 2009-05-26 The Lord's Supper has been the central and characteristic action of the church at worship. But there are still many ways of understanding it and many questions surrounding this meal: Who should participate in the Lord's Supper? How frequently should we observe it? What does this meal mean? What happens when we eat the bread and drink from the cup? What do Christians disagree about and what do they hold in common? These and other questions are explored in this volume of the fair-minded informative Counterpoints series. Contributors make a case for one of the following views: Baptist view memorialism, Reformed view spiritual presence, Lutheran view consubstantiation, Roman Catholic view transubstantiation. All contributors use Scripture to present their views and each responds to the others' essays. Included are resources for understanding the topic further, such as: A listing of statements on the Lord's Supper from creeds and confessions; Quotations from noted Christians; A resource listing of books on the Lord's Supper; Discussion questions for each chapter to facilitate small group and classroom use. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion.

Fit for the Feast - A Guide to the Lord's Supper Thomas Tuke, C. Matthew McMahon, 2025-07-24 *Fit for the Feast: A Guide to the Lord's Supper* is both a timeless theological treatise and a practical study guide designed to lead believers into a deeper, more reverent participation in the Lord's Table. Rooted in the rich heritage of Christian doctrine, this work unpacks the biblical call to self-examination, repentance, faith, love, and gratitude—all essential for worthy reception of this sacred ordinance. More than a devotional or commentary, this volume equips readers with clear summaries and thoughtful questions after each chapter, fostering personal reflection and meaningful group study. Whether used individually in family worship or within church discipleship, it challenges believers to honestly assess their spiritual state and prepare themselves as fit guests for the feast Christ has ordained. Pastors and leaders will also find it a valuable resource for guiding their congregations in the holy discipline of communion, ensuring that the Supper remains a true means of grace that nourishes the soul and glorifies God. *Fit for the Feast* calls the church to embrace both theological depth and practical application, inviting all who partake to come with hearts ready, eyes fixed on Christ, and lives transformed by His reforming grace.

Understanding Four Views on the Lord's Supper Russell Moore, 2007 Four different ways Christians understand the Lord's Supper: Baptist view memorialism, Reformed spiritual presence, Lutheran consubstantiation, and Roman Catholic transubstantiation are fairly represented and debated to provide readers with an opportunity to draw their own conclusion on this important Christian institution.

Essays on the Lord's Supper Oscar Cullmann, F. J. Leenhardt, 2004-05

In these two essays two distinguished Reformed scholars accept the challenge of understanding and explaining the central meaning of the Lord's Supper How did primitive Christianity understand this event What relationship was Christ attempting to establish with mankind Did He wish to establish a link other than the one of preaching His Word What is the relationship of Word and Sacrament These and other vital issues for the churches of the Reformation tradition are addressed In the first essay Oscar Cullmann proposes to investigate the true meaning of the Lord's Supper with which primitive Christianity invested the cultic act of the sacred meal as it was practised in the communities of the first century He examines the Breaking of Bread and the Resurrection Appearances and draws a connection between the Lord's Supper and the Death of Christ and successfully combines the two in his conclusion The second essay by F J Leenhardt provides an answer to the question What relationship did Christ wish to establish with man Or more precisely since Christ wished His disciples to proclaim His Gospel He established a link which is the preaching of His Word He that hears you hears me The question is therefore whether or not He wished to establish by another means than the spoken Word a further relationship with man Both essays present new and original insights into the central meaning of the Lord's Supper
