For Kate Greene, nothing was as important as her two little boys, Reef and Finn, and her loving husband, St. John, known as Singe. Together they shared a wonderfully happy family life until Kate was diagnosed with incurable breast cancer. During her final days, Kate created what she called Mum's List. She included simple things like look for four-leaf clovers and take them for walks along mummy's favorite beach. The list became Singe's rock. **Mom's List** is the book that Singe never wanted to write but, in sharing the wisdom and inspiration that buoyed him during his darkest hours, he pays tribute to his beloved wife and the life she dreamed of for their sons after she was gone.
