

The book cover features a reproduction of Michelangelo's famous fresco, 'The Creation of Adam'. The image shows the two hands reaching toward each other, with the gap between the fingers highlighted by a bright, glowing light. The background is a textured, aged parchment-like surface with visible cracks and creases. The title 'The MAJESTY of MAN' is centered at the top, with 'The' and 'of' in a smaller, elegant script font, and 'MAJESTY' and 'MAN' in large, bold, serif capital letters.

The Majesty of Man Ronald Barclay Allen, 1984 Revised and expanded Ronald Allen examines the mystery of man the majesty of man and the mandate for man as set forth in the Bible **The Matrix of Christian Ethics** Patrick

Nullens, Ronald T. Michener, 2013-12-06 Patrick Nullens and Ronald T Michener seek to revitalize Christian ethics through an integrative approach to classical ethics Their matrix of consequential principle virtue and value ethics provides an alternative to postmodern situation ethics and brings the framework of biblical wisdom to bear on contemporary ethical questions

Liberated Traditionalism Ronald B. Allen, Beverly Allen, 2009-07-01 In the struggle between the sexes Ronald and Beverly Allen are peacemakers With feminists they feel fully the past and present pain the yearning for new freedom and fulfillment But they also trust the Bible the source for all that is oldest and best in male female traditions To open your mind to what really matters in the women s movement the Allens take you everywhere to the incomparable events in Eden and to Paul s perplexing directives in the New Testament to Betty Friedan in the sixties and a different Betty Friedan in the eighties to Sarah and Steinem to Deborah and deBeauvoir to Proverbs 31 and Archie Bunker The result is a call to balance to help you rise from the ruts of injustice and insensitivity and yet stay in the safe confines of God s design *Christian Perspectives on*

Phillips, 2018-03-15 For more than 30 years and until his death in 2004 Jacques Derrida remained one of the most influential contemporary philosophers It may be difficult to evaluate what forms his legacy will take in the future but *Derrida Now* provides some provocative suggestions Derridas often controversial early reception was based on readings of his complex works published in journals and collected in books More recently attention has tended to focus on his later work which grew out of the seminars that he presented each year in France and the US The full texts of these seminars are now the subject of a major publication project to be produced over the next ten years *Derrida Now* presents contemporary articles based on or around the study of Derrida It provides a critical introduction to Derridas complex and controversial thought offers careful analysis of some of his most important concepts and includes essays that address the major strands of his thought Derridas influence reached not only

The Purpose of Man A. W. Tozer, 2010-10 The one great obsession of A W Tozer s life was worship Many have written about worship but Tozer surpassed them all in simple passion and supreme purpose Compiled from material never before published this book presents A W Tozer s systematic teaching on worship His thoughts on the subject were deeply rooted in biblical doctrine and historic writings blending Scripture with some of the great devotional writers throughout history Be inspired to not only understand worship but also experience it in your own heart This will be the best teaching in my ministry I want to deliver my soul as a prophet of God to the people and to explain why we were created and why we are here not to the satisfaction of the needed appetite only but to something bigger grander and more eternal that we might worship God and enjoy Him forever

The Tragedy of Almightyness Sybe Schaap, 2016-01-06 The Tragedy of Almightyness encircles the theme of human yearning for omnipotence as expressed in religion and various ideologies The central question revolves around the matter of what in pursuing such an extreme power of the will man seeks to achieve While exploring the question a thought provoking link is made between religion and atheism between the Biblical longing for God s promise and the Marxist appeal for man to realize that same promise Omnipotence must vouch for the fulfilling of the promise for justice and for man s dream of redemption However that is not where it ends The longing for salvation turns out to have a dangerous reverse side to it because it encourages a turning away from the actual world and the all pervading evil Omnipotence also facilitates the avenging of such evil History has shown what this kind of yearning can lead to The book demonstrates how modernity translates Biblical longings into ideologically justified revengefulness The description of this process leads to a plea for renewed ethical purpose in life It is a challenge that also extends to religion Hence the reason that it is necessary to depart from the idea of omnipotence
