Major Unsolved Crimes:

Major Unsolved Crimes Brian Innes, 2005 Despite the tireless work of crime investigators and the wealth of modern forensic techniques available to them a disturbing number of crimes remain unsolved This may be because the perpetrator cannot be identified or if identified cannot be traced or because the evidence is insufficient to bring the case to trial A major proportion of these cases unfortunately are of murder or suspected murder and this book takes a look at six of the most challenging cases that have frustrated investigators in recent years Major Unsolved Crimes Phelan Powell, Austin Sarat, 1999 Discusses six criminal cases in which there was no completely satisfactory conclusion reached including the case of the Zodiac killer the Tylenol murderer the assassination of President Kennedy and an unusual skyjacking in 1971

Unsolved Murders in South Yorkshire Scott Lomax, 2013-05-02 Whilst the passage of time can and has uncovered many secrets killers could get away with their crimes in 1596 when Shakespeare penned these words and this is certainly the case in more recent times as *Unsolved Murders in South Yorkshire* clearly demonstrate The early chapters include cases of historic interest where killers certainly went to the grave in the knowledge they had got away with murder Cases include suspicious deaths which left detectives in South Yorkshire baffled but which were it would seem acts of callous murder which were not recognised as such due to dubious police opinions and practices There are also cases of clear murder such as a man shot in the head during the Victorian period whose killer was never identified The later chapters however feature more recent cold cases where there is still the possibility that the wicked men or women who were responsible for such acts of inhumanity may remain within our society Cases include a man murdered for less than 70 in a city centre multi storey car park a teenage girl abducted sexually assaulted and left dead on a dung hill a young mother who entered prostitution and died at the hands of a man with more than sex on his mind a pregnant woman who left home one day to go shopping but was found days later dead in a ditch with her throat cut and a disabled woman who was strangled in her home which was then set ablaze For some of these cases there is the chance that someone has information which despite the passage of decades could lead to one or more individuals standing trial for murder Justice can still prevail **Crimes Against Women** Facts On File, Incorporated, 2002 Focuses on popular subjects that are bound to capture the reader's imagination Provides a window into American culture Encourages moral reasoning and fundamental thinking Examines crimes that particularly affect women along with law enforcement and criminal justice responses Cold Cases Hélène Katz, 2010-07-14 This book explicitly chronicles 40 cases of unsolved murders and disappearances over a period of more than 160 years tracing the evolution of criminal investigation and forensic techniques Murders and other violent crimes often leave an indelible mark on society The 18th century murder of Beautiful Cigar Girl Mary Rogers helped the then newly emerging tabloid papers become a fixture in the United States The Federal Aviation Administration was spurred into requiring electronic screening of passengers and carry on luggage by a series of highly publicized hijackings Abductions of youth gave birth to Amber Alerts and advertising

missing children on milk cartons And popular TV shows like Law and Order CSI and Cold Case document our fascination with police investigations heinous criminals and the complicated aftermath of their actions This book examines 40 well known cases of unsolved murders and suspected abductions over a period of over 160 years Cases are organized chronologically to give readers insight into the evolution of criminal investigation techniques and forensics in the last century and a half Later chapters detail how modern forensics were used in attempts to solve old cold cases or helped generate new leads
