Rathbun, 2014-06-26 Nonagenarian Cora Sheffield had been adamant She was moving out and starting over Her niece Rocky was equally adamant Cora had lost her mind After all Rocky was the one who was being forced to start over Rocky had lost her job As it turned out

starting over was amazingly easy for the spunky eccentric Aunt Cora Without a second thought she packed her bags and took up residence at an exclusive assisted living facility Rocky on the other hand couldn't seem to find her way Every time she managed to clear a path through the mess Aunt Cora had left in her wake something or someone appeared on the scene to derail her desire for an uncluttered uncomplicated life In the end Cookies for Breakfast reminds us that life isn't lived in a straight line The unpredictable zig zags along the way may make the journey a wee bit scary but a lot more fun The Hero Within, 2002 Bogeymen John Laubhan, 2003-12 Zach Reynolds had an amazing talent no one could suspect as he grew up in 1960s rural Illinois An autistic savant he was teased for being different from his earliest school days Only upon developing a unique friendship with a spunky neighbor herself an outcast for being a new kid in school did he find a path that would eventually lead to remarkable achievement Bogeymen is about growing up making choices and confronting responsibility It's also about finding friends and losing them about overcoming adversity and sharing adventures with companions who would soon disappear forever down other paths It's a story for everyone who from time to time thinks about how different things were in their youth but mostly how distant and inaccessible those days have become Bogeymen reads like a tour down a winding path of long neglected high school memories I quickly got that feeling summers used to give when it was hard to imagine anything more important than an upcoming weekend party or spending the night at a friend's house The story will appeal to everyone The golf was right on but broken down to its finest parts it isn't any more about golf than it is about football or prom or drama club Ultimately it's about the joy and pain of growing up and the Kodacolor images we collect along the way BOBBY STEINER COLUMNIST AND AUTHOR OF Golf Heart Soul HEAD TEACHING PROFESSIONAL WESTIN MISSION HILLS PETE DYE RESORT COURSE *Friends' Review* Enoch Lewis, Samuel Rhoads, 1872 Sunny Zack - And the Land of Super Smiles Oleksiy Dekan, 2017-01-23 A fictional story for little children about friendship The book you are holding in your hands is unique It is a story about Zack a little boy with a Down syndrome Zack lives in Ukraine and he is one of the sweetest and friendliest boys you'll ever meet Zack's story is a story of friendship creativity and learning This book about Sunny Zack was created to help young readers learn how to be friendly and polite towards children who have special needs For instance children with Down syndrome autism cerebral palsy etc The goal of this project is to teach them to make friends with these special kids which sometimes goes against the culture's tendency Make friends with someone with special needs and your life will change forever It is no wonder that sometimes we call them sunny kids We can learn a lot from them Text and illustrations by Oleksiy Dekan The Secret Haven Leah Warren, 2022-09-07 A talented horse master with unrealized potential Zachira faces each day with determination Her simple life is all she's known As her nightmares worsen Zach struggles to keep them from overpowering her When tragedy strikes she must flee her home leading her down a path to find her family The search for the truth unearths many dark secrets but there is only one important question Will Zachira hide from her destiny or fight for the peace she so desperately longs for Zack and the Validators: Spirit Bridge
